Choice Based Credit System/ Flexible Credit System

Background- Achieving **academic excellence** expresses the core philosophy at Amity University Haryana and this is the driving force behind rigorous academic programmes and high quality teaching which instil a spirit of learning amongst students. Our academic processes focus on

- A high level scholastic achievement
- An involving attention to detail.
- Quality Research and innovation.
- Advanced critical analysis

Amity University Haryana has the vision to develop as an **Industry Integrated University** We believe in learning that takes students beyond the classroom and into the real world where they must use instinct, negotiating skills, collaboration and experiential learning with innovation.

Our pedagogy offers the opportunity to explore intellectual possibility. A coherent, integrated curriculum is the backbone. It challenges the young Amitian to risk an opinion, to listen to the voice of others, to explore intellectual pathways and to discover new academic passions.

Our academic processes need to be aligned with our philosophy of achieving academic excellence and vision of being an Industry Integrated University. **The introduction of the Choice based Credit System/ Flexible Credit System** in the form of Flexi Learn from January 2013 is a step towards the same. The flexible credit system focuses on leveraging the talent and innovative capabilities of the budding professionals to meet the needs of the contemporary dynamic business environment thus making the student more industry ready.

What Choice Based Credit System Means

Choice based credit system offers **cross programme education** i.e. it allows students to opt for courses cutting across disciplines. This enables the students to acquire a more holistic perspective and thus have better understanding of issues. The student has flexibility as he has a wide option of courses to choose from. For example a student pursuing BA Economics Honors can now choose courses from disciplines other than Economics like a course in Photography or Animation. Flexible credit system also permits credit transfers and earning credits through MOOCs and live projects. It gives the students the flexibility to **design their own degree**.

Objectives of the Choice Based Credit System

- (i) A multi disciplinary and application oriented focus is expected to make the student industry ready.
- (ii) The student will be able to build on his strength areas by choosing courses in areas which interest him.
- (iii) Develop innovative and creative skills by giving the students a wider perspective through a wide array of course offerings

Highlights of Flexi Learn

(i) The course delivery is a perfect blend of

- Blended learning
- Classroom contact sessions
- Workshops/ Seminars/ Certification programme
- Substantial project work and Assignments with industry relevance

(ii) Value added courses which are compulsory are offered across the university for which the students are being offered credits

(iii) The courses belong to areas which are important for the holistic development of an individual. These areas includes

- Values and ethics
- Environmental Issues
- Technology
- Communication
- Cross Cultural exposure

Flexibility- Under the CBCS the student has the following options

(i) Option of choosing a minor along with the major area of study.

(ii) Allow credit transfer from one programme to another (in case the student decides to shift) – subject to meeting the eligibility criteria.

(iii) Freedom to choose courses from other programmes.

(iv) Earn credits through live projects/ community projects/ workshops.

(v) Option of taking a break after diploma and then continuing to earn a degree.

(vi) Transfer credits to other universities (in case of twinning programme with universities abroad)

(vii) Course credits through MOOC's

Value Added Courses

Students have the option of choosing value added courses during the course of their programme. These are courses in various areas which help students get an edge over others and contribute towards their overall holistic development. For example the students can choose from the following foreign languages- French, German, Spanish, Russian, Chinese, Korean & Japanese (30 to 36 contact hours per semester). A list of value added courses being offered in the year 2020-21 is attached.
