Name of Activity	Donation Drive on International Food Day
Organized By	AUH Club Saakar under Red Cross Activity
Name of Scheme	World Food Day
Date of Event	16 October 2022
Place of event	Islampur Village, Sector 38, Gurgaon

INTRODUCTION : One major issue many people face is food scarcity and hunger. Food insecurity remains an alarming issue. Every night, one out of seven people go to bed hungry. As Covid-19 pandemic has exacerbated the poverty and hunger crisis, the situation in India looks particularly grim. India has been ranked highest in “child wasting” among 116 countries, reflecting acute undernutrition among children under the age of five. The report estimates an increase in child wasting from 15.1% in 2010- 2014 to 17.3% in 2016-2020. For those with little access to food, some aid should be provided. It is a must for humans to stand together and support each other in times like these. To tackle such important issue, SAAKAR, Amity University Haryana's Youth Social Responsibility Group under the Dean of Students Welfare in collaboration with DN SNACKS, successfully organized a FOOD DISTRIBUTION DRIVE on 19th November 2021. The drive led by young Saakarians was centered around providing food packets at the doorsteps of Gurugram's underprivileged men, women, and children.

CAMPAIGN EVENTS:

This donation drive was conducted on 16.10.22 (World Food Day) with aim of providing healthy meals to those who are unable to have access to them. Nutrition is undeniably important part of our lives, affecting everything from physical to mental health.

The Team alongside providing healthy meals to the slum dwellers, also had fun interactions with the kids present, collected data from the residents to provide inputs for future endeavours and spread basic menstrual health awareness amongst the women.

The season of winter is characterized by festivities and joyous moments. However, what often goes unnoticed are the shivers and sufferings of those who are not as privileged as us. Moved by the hardships they face and, in an effort, to make the world a better place the Saakar Winter Mission was launched in 2016.

Saakarians organized a campaign on November 09, 2022 - November 11, 2022 to collect warm clothes, blankets and sanitary napkins from the student community of Amity University, Gurugram. These collections were then segregated into different boxes and on 10th December, 2022, a team of young change makers set out to distribute these across the different slums of Gurugram.

Awareness was raised on menstruation while distributing the sanitary napkins and this session aimed at reducing the stigma around menstruation and promoting better hygiene practices. Winter clothes and blankets were distributed thereafter to help them survive the cold. Warmth was spread, smiles were exchanged and substantial difference were made to the lives of those who deserve better living conditions.

SHAKTI, is the symbol of strength, power, confidence, and self-abilities of the women of our society. SHAKTI club not only boosts the confidence of women but also makes them realize their talent and importance in life.

THE POWER OF ONE SELF LIES IN ONE'S FAITH AND BELIEF OVER THEIR DEEDS NOT IN THEIR IMAGINATION. SIMILARLY, SHAKTI BELIEVES TO WORK FOR THE SOCIETY, BY THE HELP OF THE SOCIETY AND TO BUILD A NEW EMPOWERED SOCIETY FOR THE GROWTH AND BETTERMENT OF THE YOUTH AND THE COUNTRY.

Ever since 8th march 2018, the beautiful day when the club began this amazing journey, the club has been organizing various events and activities for the underprivileged, focusing on the Growth of women and children. The social club was initiated by an aspiring personality named Deepika Arya. She made a good move by focusing on the importance of a woman in her life. Our events included food donation drives, clothing drives, flash mobs and much more. The social club has been reaching to peaks of success in last few years and gradually we are encouraging more people to be part of Shakti in the upcoming times. The backbone of a successful organization is the group of individuals who work together to meet their goals. Team Shakti aims to empower women by uniting youth.

Shakti focuses on three main agendas including Empowerment, Mental health and Body Positivity. It aims to support every woman, man and child who are victims of harassment.

Health Mela, one of the successful events of all time, focusses on health awareness in the society in which the people become aware of their physical and mental health.

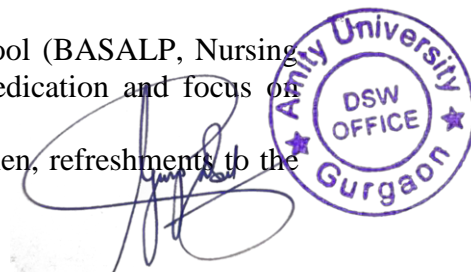

The first Health Mela was a great success. Shakti club encourages needy and underprivileged people by creating awareness in our society.

Health Mela was organized at Panchgaon on 16th December 2022. The team decided to work with more workforce, highly qualified doctors majorly general physicians, cardiologist and gynecologist who are associated with the big hospitals of Gurugram.

In addition to this, Shakti is collaborating with the Amity Medical School (BASALP, Nursing and Optician Department). Students will be working with the same dedication and focus on every individual on the auspicious day.
