

AMITY – DEAKIN PROGRAMS

FREQUENTLY ASKED QUESTIONS (FAQs)

Q1. Where is Deakin University Located?

Deakin University is located in Melbourne Australia.

Q2. Tell me more about Deakin University?

Deakin University is an Australian public university with approximately 47,000 higher education students in 2014.

Established in 1974, the University was named after the leader of the Australian federation movement and the nation's second Prime Minister, Alfred Deakin.

It has campuses in Geelong, Warrnambool and Burwood, Melbourne in the state of Victoria.

The university receives more than A\$600 million in operating revenue annually, and controls more than A\$1.3 billion in assets. It received more than A\$35 million in research income in 2011 and had 1,493 research students in 2012.

In 2009, its academics authored 33 books, 233 refereed conference papers, and 705 refereed journal papers.

Q3. Is Deakin University ranked amongst the Top in the world? What are the rankings?

The prestigious ranking agencies of the world have constantly ranked Deakin University amongst the top Universities of the world.

According to the Times Higher Education Ranking, Deakin University is ranked 301-350

According to the QS rankings, it is ranked t 380.

Q4. How many years will I study at Deakin University? What is the Academic Model?

You have two options to choose from:

OPTION 1 – 2+1 Model – You will spend two years at Amity University followed by one year at Deakin University

OPTION 2 – 1+2 Model - You will spend one year at Amity University followed by two years at Deakin University.

Q5. Will I Get Post Study Working rights in Australia?

In option 1 there will be no post study working rights until you stay on for a Master's Degree in Australia.

In Option 2 you will be eligible for post study working rights.

Q6. Why two different Academic models?

2+1 model is designed for those students who are only looking for a Foreign University Degree from Top Universities and would like to return to India to pursue further studies / setup their own business / work for corporates etc.

1+2 Model is specifically designed for those students are looking not only for a foreign University Degree from Top Universities but also look for employment opportunities in Australia.

Q12. What Impact will this program have on my career?

The Programme enables you to gain first hand global exposure and provides an experience that enables you to transform into a global manager. This opens up hosts of opportunities for you and will give you an edge over others in the international arena, whether applying for further studies or gaining employment opportunities.

The knowledge and the strategic vision you will develop can easily make the difference between success and failure in a highly competitive environment.

Q13. How is your approach different from other Universities?

Our approach is unique. Our approach is motivated by several factors. We cannot think of a better way to introduce students to the global dynamic of business than to place them in these all-encompassing, real-world programmes / assignments. They not only provide an exceptional experiential learning experience, but also involve you in the global nature of business.

We are able to create a world class learning environment for the students. Our Key advantage is our size, reach and a proven successful track record in formalizing such programs. Thus, allowing us to produce this unique experience.

Q14. Why Australia as a destination?

Australian qualifications are recognized globally both for further studies and employment. Australia protects the rights of International students by providing safe guards, which are unmatched in the world. The government legislation includes a code of conduct for the institutes, which deliver courses to International student, legally enforceable throughout Australia. Flexible visa regulations along with favorable opportunities for migration after studies make Australia a sought after destination for Indian students.
