SEMESTER I

- Behavioural Science
  - Self Development and Interpersonal Skills
- Business Communication
  - Business Communication for Managers
- Core Courses
  - Accounting for Managers
  - Information Technology for Managers
  - Managerial Economics
  - Organizational Behavior
  - Marketing Management
  - Statistics for Management
- Domain Elective Courses
  - Elementary Bioinformatics
  - Fundamentals of Biotechnology
  - Biotechnology& Personalized Medicine
  - cancer & immunity
  - vaccinology
  - Aquatic Virology
- Foreign Business Language
  - Introduction to Arabic Culture
  - Introduction to Chinese Culture
  - Introduction to Francophone Culture
  - Introduction to German Culture
  - Introduction to Japanese Culture
  - Introduction to Russian Culture
  - Introduction to Vedic Culture
  - Introduction to Hispanic World
- Open Elective Courses
  - Bharatnatyam-I
  - Energy Management Systems
  - It Service Management Systems
  - Risk Management - Bsi
  - Lean Management
  - Food Safety Management Systems

SEMESTER II

- Behavioural Science
  - Conflict Resolution and Management
- Business Communication
  - Business Correspondence
- Core Courses
  - Financial Management
  - Human Resource Management
  - Legal Aspects of Business
  - Business Research Methods
  - Operations Management
- Domain Elective Courses
  - Biotechnology& Personalized Medicine
  - Immunodiagnostics
  - cancer & immunity
  - vaccinology
  - nutrition & immunity
  - Nutritional Immunology
  - Microbial Fermentation Technology
  - Dairy Microbiology
  - Drug Discovery and Development
  - Clinical Microbiology
  - Plant - Microbe Interaction
  - Medical Virology
  - Aquatic Virology
  - Applied Virology
- Foreign Business Language
  - Arabic Grammar – I
  - Chinese Grammar – I
  - French Grammar – I
  - German Grammar – I
  - Japanese Grammar – I
  - Russian Grammar – I
  - Sanskrit Grammar – I
  - Spanish Grammar – I
- Open Elective Courses
  - Bharatnatyam-I
  - Risk Management - Bsi
  - Food Safety Management Systems
  - Business Continuity Management
  - Six Sigma Green Belt
  - Environmental Management Systems Bsi
  - Quality Management Systems
  - Multimedia Applications

○ Occupational Health and Safety Management Systems ○ Business Continuity Management ○ Six Sigma Green Belt ○ Information Security Management Systems ○ Environmental Management Systems Bsi ○ Quality Management Systems ○ Drawing Techiniques for Animation ○ Multimedia Applications ○ Consumer Electronics ○ Principles of Communication Engineering ○ Home Health Monitor Appliances ○ Battlefield Electronic Systems ○ Managing Innovation Process ○ Introduction to Fashion Concepts ○ Fashion Drawing ○ Basics of Sewing ○ Nutrition Through Life Cycle ○ Functional Foods and Nutraceuticals ○ Guitar-I ○ Global Business Management ○ Software Applications for Erp ○ Information Security Policies in Industries ○ Ict and Sustainable Development ○ Anchoring and Presentation for Radio and Tv ○ Kathak-I ○ Kuchipudi-I ○ Nanomaterials in Food ○ Nanotoxicology and Environment ○ Nanotoxicology ○ Nanocomposities and Biomems ○ Nanocomposities for Tissue Replacement and Engineering ○ Bioelectronics and	○ Consumer Electronics ○ Consumer Electronics ○ Principles of Communication Engineering ○ Home Health Monitor Appliances ○ Managing Innovation Process ○ Introduction to Fashion Concepts ○ Fashion Drawing ○ Fashion and Luxury Brand Management ○ Basics of Sewing ○ Nutrition Through Life Cycle ○ Functional Foods and Nutraceuticals ○ Guitar-I ○ Software Applications for Erp ○ Introduction to Knowledge Management ○ Information Security Policies in Industries ○ Ict and Sustainable Development ○ Kathak-I ○ Kuchipudi-I ○ Odisi-I ○ Applied Positive Psychology ○ Sitar-I ○ International Business Strategy ○ Synthesizer-I ○ Tabla-I ○ Vocal- I • Outdoor Activity Based Courses ○ Entrepreneurship Awareness Camp • Specialisation Elective Courses ○ Essentials of Bioinformatics ○ Emerging Trends in Life Sciences and Biotechnology Industries ○ Innovation and Knowledge Management for Biotechnology ○ Customer Relationship Management

Nanomechanical Devices ○ Odisi-I ○ Sitar-I ○ STRA702 - International Business Strategy ○ Synthesizer-I ○ Tabla-I ○ Introduction to Traditional Textiles ○ Basics of Photography ○ Vocal -I ○ Animal Behaviour • Outdoor Activity Based Courses ○ Entrepreneurship Awareness Camp ○ Military Training Camp (Pg) • Specialisation Elective Courses ○ Bioanalytical Techniques ○ Business Fundamentals for Biotechnology ○ Fundamentals of Biotechnology ○ Sales Management	
SEMESTER III • Behavioural Science ○ Professional Competencies and Career Development • Business Communication ○ Business Communication for Managerial Competence • Core Courses ○ Strategic Management • Foreign Business Language ○ Arabic Written Expression and Comprehension – I ○ Chinese Written Expression and Comprehension – I ○ French Written Expression and Comprehension – I ○ German Written Expression and Comprehension – I ○ Japanese Written Expression and Comprehension – I ○ Russian Written Expression and Comprehension – I ○ Sanskrit Written Expression and Comprehension – I ○ Spanish Written Expression and Comprehension – I	**SEMESTER IV** • Behavioural Science ○ Leadership and Managing Excellence • Business Communication ○ Business Etiquette and Protocol • Core Courses ○ Management in Action - Social Economic and Ethical Issues ○ Foreign Business Language ○ Communicative Arabic – I ○ Communicative Chinese – I ○ French Through Communicative Approach ○ Communicative German – I ○ Communicative Japanese – I ○ Communicative Russian – I ○ Communicative Sanskrit – I ○ Communicative Spanish – I • Domain Elective Courses ○ Biochemical and Molecular Diagnostics in Health Care ○ Biotechnology& Personalized Medicine

- Non Teaching Credit Courses
    - Summer Internship

Management Studies

- Open Elective Courses
    - Bharatnatyam-I
    - Energy Management Systems
    - IT Service Management Systems
    - Risk Management - Bsi
    - Lean Management
    - Food Safety Management Systems
    - Occupational Health and Safety Management Systems
    - Business Continuity Management
    - Six Sigma Green Belt
    - Information Security Management Systems
    - Environmental Management Systems Bsi
    - Quality Management Systems
    - Drawing Techiniques for Animation
    - Multimedia Applications
    - Consumer Electronics
    - Principles of Communication Engineering
    - Home Health Monitor Appliances
    - Battlefield Electronic Systems
    - Managing Innovation Process
    - Introduction to Fashion Concepts
    - Fashion Drawing
    - Basics of Sewing
    - Nutrition Through Life Cycle
    - Functional Foods and Nutraceuticals
    - Guitar-I
    - Global Business Management
    - Software Applications for Erp
    - Information Security Policies in Industries
    - ICT and Sustainable
    - Immunodiagnostics
    - cancer & immunity
    - vaccinology
    - nutrition & immunity
    - Nutritional Immunology
    - Medical Virology
    - Aquatic Virology
    - Applied Virology
- Non Teaching Credit Courses
    - Major Dissertation
- Foreign Business Language
    - Communicative Arabic – I
    - Communicative Chinese – I
    - French Through Communicative Approach
    - Communicative German – I
    - Communicative Japanese – I
    - Communicative Russian – I
    - Communicative Sanskrit – I
    - Communicative Spanish – I
- Open Elective Courses
    - Bharatnatyam-I
    - Risk Management - Bsi
    - Food Safety Management Systems
    - Business Continuity Management
    - Six Sigma Green Belt
    - Environmental Management Systems Bsi Offered
    - Quality Management Systems
    - It Enabled Services
    - E-commerce and It's Applications
    - Multimedia Applications
    - Consumer Electronics
    - Principles of Communication Engineering
    - Home Health Monitor Appliances
    - Indian Literature in Translation
    - Preparing for Placement (Transition From Campus to Corporate)
    - Managing Innovation Process
    - Introduction to Fashion Concepts

Development ○ Anchoring and Presentation for Radio and Tv ○ Kathak-I ○ Kuchipudi-I ○ Nanomaterials in Food ○ Nanotoxicology and Environment ○ Nanotoxicology ○ Nanocomposities and Biomems ○ Nanocomposities for Tissue Replacement and Engineering ○ Bioelectronics and Nanomechanical Devices ○ Odisi-I ○ Sitar-I ○ International Business Strategy ○ Synthesizer-I ○ Tabla-I ○ Introduction to Traditional Textiles ○ Basics of Photography ○ Vocal -I ○ Animal Behaviour • Specialisation Elective Courses ○ Agricultural Marketing System ○ Regulatory Affairs, Biosafety Regulations, Ipr and Technology Transfer ○ Emerging Trends in Life Sciences and Biotechnology Industries ○ Pharmaceutical Management ○ Business Incubation ○ Product and Brand Management ○ Supply Chain Management ○ Total Quality Management ○ Project Management	○ Fashion Drawing ○ Fashion and Luxury Brand Management ○ Basics of Sewing ○ Nutrition Through Life Cycle ○ Functional Foods and Nutraceuticals ○ Guitar-I ○ Hospital Hazards Disaster Management ○ Software Applications for Erp ○ Information Security Policies in Industries ○ Ict and Sustainable Development ○ Kathak-I ○ Kuchipudi-I ○ Odisi-I ○ Positive Psychology and Well Being ○ Sitar-I ○ International Business Strategy ○ Synthesizer-I ○ Tabla-I ○ Vocal -I • Specialisation Elective Courses ○ Environment Management ○ Innovation and Knowledge Management for Biotechnology ○ Creating and Managing Businesses in Life Sciences and Biotechnology ○ Advertising and Sales Promotion ○ Industrial Marketing
