Update about the applications received for the 10 management seats in B.Ed. at Amity Institute of Education, affiliated to GGS Indraprastha University

We take reference of our advertisement and the subsequent message on our website regarding management quota seats.

As per above, the merit list of Admissions under management quota was to be put on the website by 6.00 PM today, i.e. the 11th August 2009.

We are putting herewith the merit list as per the applications received by 4.00 PM today. However, in view of the fact that the counselling for reserved category will be starting by GGS IP University, Delhi on 13th August 2009 and the second counselling has not taken place as yet, we are not finalising today any admission list. The admission list will be displayed the next day after the finish of the second counselling at GGS IP University, Delhi.

In view of the above, also the date for receipt of applications for the management seats is extended till the second counselling is announced by GGS IP University, Delhi.

Further, in view of the above, the counselling which was to take place at the relevant Amity Institutions namely: ASET, Bijwasan, New Delhi, ALS (GGSIP University) and AIE (New Delhi), would now **not** take place on 12th August. This would

take place two days after the finish of the second counselling of GGS IP University, Delhi.
