

2017 6th International Conference
on
Reliability, Infocom Technologies
and Optimization
(ICRITO' 2017)
(Trends and Future Directions)

IEEE Conference Record Number 41188

https://www.ieee.org/conferences_events/conferences/conferencedetails/index.html?Conf_ID=41188

September 20-22, 2017

Venue

Amity University Uttar Pradesh (AUUP), Noida, India

Organized by

Amity Institute of Information Technology (AIIT)

Technically Co-Sponsored by

IEEE UP Section (India)

In Association with

Computer Society of India (CSI)

Objective

In this globally competitive environment scientific analysis of system under study is the key issues in attaining market leadership. This competitive advantage through quality process, product and services in the market place is possible through the development of knowledge bases and easy access to structured databases on systems, processes and technology based on quantitative study. Further due to ever emerging new trends of fashion and taste as well as technology, predicting future with certainty can be the daydream. This theme is most appropriate in the current context as well as in the future. The Conference will not only take stock of trends and developments at the globally competitive environment, but will also provide future directions to young researchers and practitioners. Besides, it will help in sharing of experience and exchange of ideas, which will foster National collaboration.

The Conference would be of immense benefit to Management, Researchers, Academicians, Industry and participants from Technical Institutes, R & D Organizations and students working in the field of IT.

Call for papers

Authors interested in presenting research papers of theoretical/applied nature or case studies are invited to submit their full-length paper latest by August 15, 2017 (extended date). The paper should include keywords/phrases, full address and e-mail id of corresponding author.

INFORMATION FOR SUBMISSION OF FULL PAPERS

Authors should prepare a pdf file version of their full paper of maximum 6 pages. Papers must be according to IEEE format. Accepted papers will be published in the Conference Proceedings provided at least one of the authors register and undertake to present the paper. Conference Kit will be provided only to the registered authors.

Conference Proceedings (with an ISBN) will be brought out with a reputed Publication House.

ACCEPTED AND PRESENTED PAPERS WILL BE SUBMITTED TO IEEE Xplore DIGITAL LIBRARY for publications. Last years Conference Proceedings were published in IEEE Xplore and is SCOPUS indexed. Earlier conferences in the series were held in 2010, 2013, 2014, 2015 and 2016.

Conference Topics

The topics of the Conference would include but not restricted to:

Quality and Reliability

- Quality Assurance
- Reliable and secure communications
- Software Reliability and Testing
- Infocom Systems Reliability
- Power Systems Reliability
- Reliability and Maintenance Models
- Fault Tolerance in Hardware and Software systems

Mathematical Modeling and Optimization

- Soft computing
- Financial Optimization
- Inventory management
- Fuzzy systems
- Knowledge Management
- Supply chain management
- Stochastic Petrinets

Infocom Technology (IT)

- Free and Open source software
- Natural language processing
- Cloud computing
- Computer Architecture and Embedded Systems
- Artificial Intelligence and Experts Systems
- Data Mining and Data warehousing
- Network Technologies
- Convergence Technologies
- Human-Computer Interface
- Information and Network Security
- Mobile Computing
- Software Engineering
- Advances on Computing Mechanisms
- Software and Web Engineering
- ICT Act and Cyber Laws
- Rural Applications of IT
- E-Governance

Safety and Risk Analysis

- Risk Analysis
- Infrastructure Systems Safety and Risk
- Probabilistic Fracture Mechanism and Fatigue Analysis
- Probabilistic Safety Assessment

PATRONS-IN-CHIEF

Dr. Ashok K Chauhan, Founder President,
Ritnand Balved Education Foundation (RBEF)
Dr. Atul Chauhan, Chancellor,
AUUP, Noida, India & President, RBEF

PATRON

Prof. Balvinder Shukla, Vice-Chancellor, AUUP, Noida, India

CO-PATRON

Prof. K M Soni, Dy. Dean, Engg. & Tech. Domain, AUUP, India

GENERAL CHAIR

Prof. Sunil Kumar Khatri, Director, AIIT, AUUP, Noida, India

TECHNICAL CHAIRS

Prof. P K Kapur, CFIR, AUUP, Noida, India
Prof. Syed Akhtar Hossain, Daffodil International University, Dhaka,
Bangladesh

PUBLICITY CHAIR

Prof. R K Kapur, HOI, AITEM, AUUP, Noida, India
