Creativity at its best......Amitians rock the world

On February1st,2014, under the able guidance of our Beloved chairperson Dr.(Mrs.) Amita Chauhan, Amity International School, Noida organised an All India Regional Fair of Odyssey of Mind, a creative problem solving competition for students across Delhi/NCR.

It was a clean sweep by the Students of AIS,46 who walked away with gleaming gold medals in all the four problem solving round in the junior category and a gold medal in the senior category. It was a proud moment for AIS,46 as the winners of these coveted gold medals will now have the honour of representing their country in the Euro fest in Slovakia followed by World Finals in USA.

The beaming Principal of the school, Mrs Arti Chopra congratulated the students for their brilliant performance and motivated them to keep striving with the same ardour and continue the winning streak in future.
