The lucky draw at the end of the carnival made every heart hopeful for a bountiful grand finale. The Alumni of AIS-46 also got together to refresh the old connections & memories. The carnival was a grand success measured by the smiles on everyone's face.

Workshops for the month

"Self image is the key to human personality and human behavior. Change the self image and you change the personality and the behavior"

An individual's personality is an aggregate conglomeration of the decisions they have made throughout their life and the memory of the experience to which these decisions led. Personality also colors our values, beliefs and expectations. Keeping this in mind, a highly enriching workshop on Creating Lasting Impressions & Impactful Public Speaking was organized in Amity International School Sec 46 with none other than Pria Warrick Finishing School for class X on 21st & 28th January 2015 during the school hours.

The school had organized a workshop on Challenges of Adolescence for the boys of classes vii and viii on Jan 27, 2015 which was conducted by Dr. Sandeep Srivastava, Medical Director, Medanta Indore. The main purpose of the workshop was to help children understand the complexities of this stage of development and provide them tips for a healthy lifestyle. This was followed by an interactive question-answer session.
