Dear Parent,

School is the nursery of potential sportspersons. So, if during the formative years of a child’s life the foundation is laid and gradually a broader knowledge of how to achieve physical fitness is imparted, we would be a nation armed with health conscious individuals.

The achievements of the institution in the yester year were a result of rigorous practice and well-implemented plans. Driven by our success at various District/National Tournaments, we are organizing the morning coaching program under the supervision and guidance of qualified and experienced coaches /PETs as per the details given below:

The timing of the camp will be 6:15- 7:45 am Monday to Friday (except on school holidays). Parents are requested to drop their wards at 6:10 am at the school ground, AIS-46 Gurgaon. After the practice session normal school routine will be followed.

Amity Global School

Gurgaon Sector 46

IB-PYP (grades 1-5), IGCSE (grades 6-10), and IB-Diploma (grades 11-12)

Amity has a school with foreign exam boards, the Amity Global School (AGS) in Gurgaon, Sector 46. We offer an international skills-based education based on the Cambridge University and International Baccalaureate programs. Both programs are highly respected worldwide and also here in India.

Chairperson wanted Amity students to be able to choose an international education without having to leave Amity. There are now two Amity Global Schools, one in Gurgaon and one in Noida.

Our graduates usually plan to study abroad, as Universities abroad are very keen on attracting IB graduates and today’s students think in global terms. For graduates that do well Universities have scholarships with up to 100% payment for tuition and boarding!

In April we plan to move to our new building in Sector 46, with room for 900 students in a climate-controlled environment where it is always 24°C inside, and Wi-Fi throughout. Classrooms will have Internet-based projection systems and students will be provided with modern technology.

AGS has highly experienced and exam-board certified teaching staff, many with experience teaching abroad. We work actively to maintain and enhance our academic standards.

We will be the first Amity school to include a school lunchroom and prepare our own food on site.

The construction work is shown in pictures, from empty ground onwards, at www.lmcd.se/building

My Admissions Coordinator, Ms. Pushpa Joshi (pjoshi@ags.amity.edu) and I will be at the AIS-46 PTM on Saturday 15 February to answer any questions you may have.

Dear Parents

You are advised to follow the entry routes to gate no.4 (meant for students using private vehicles) on the map when you drop or pick your child from school.
This discipline is being enforced in order to make entry into and exit from the school convenient and organized for you as well as the children. The frequent traffic jams and inconvenience at the school gate no. 4 can be easily avoided if you are kind enough to comply with our request and follow one-way traffic.

**THE AREA NEAR GATE NO. 4 IS A DROP OFF ZONE; KINDLY DO NOT PARK YOUR VEHICLES HERE.**

We shall be instructing our students to follow and guide you through these routes too.
