

## PEO STATEMENT

The Management program at Amity Business School (ABS) Mumbai is designed to equip students with a logical and practical approach to problem-solving, enabling them to function effectively as skilled managers in dynamic social and global environments. Emphasizing collaboration, the program nurtures the ability to work in multicultural and multidisciplinary teams, fostering a deep understanding of group dynamics, teamwork, and professional growth. Additionally, it encourages students to pursue higher studies or establish independent ventures, contributing meaningfully to the business world through innovation and leadership

<b>PEO 1</b> –To train the students of the Management program for a logical and practical approach to problem-solving and function effectively as skilled managers who can respond to changing environments in a social and global context.
---

<b>PEO 2</b> –To groom the students to work in multicultural and multidisciplinary teams for effective problem-solving and understand the principles of group dynamics, Teamwork, and growth of the Management profession.
--

<b>PEO 3</b> –To encourage and train the students in a way that they can pursue higher studies, and start independent ventures, thereby contributing to the fields of Business.
