

INTERNATIONAL CONFERENCE
In collaboration with Non-Resident Indians (NRIs)
ON
RECENT TRENDS IN MATERIALS AND DEVICES

ICRTMD 2015
15th – 17th December 2015

Jointly Organized By

Amity Institute for Advanced Research and Studies (Materials & Devices)
&
Amity Institute of Applied Sciences

The **International Conference on Recent Trends in Materials and Devices, December 15-17, 2015**, is being organized at **Amity University, Noida**. In view of the great efforts and initiative of the Government of India, especially the “**Make in India**” program, most of the NRI and Persons of Indian Origin scientists (PIO), academicians and technocrats want to help our country especially in research & development in the area of materials and devices leading to product development and production. This conference will provide an opportunity and a unique platform to discuss our research activities and explore avenues to collaborate with NRI & PIO experts. You are cordially invited to participate.
