Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>University has successfully adhered with its pre-declared academic calendar and aligned its teaching - learning - evaluation (TLE) in accordance with continued Covid - 19 pandemic guidelines. There is robust Learning Management System (LMS) and Amizone (ERP) developed by the Amity University for academic deliverance. Continuous evaluation was done by adopting online modes. The campus is well equipped with high speed internet connectivity and wi-fi facility. The students are able to access e-resources in completing the assignments/projects.</p> <p>University has converted its TLE from fully online to hybrid mode in Odd Semester of AY 2021-22 where remaining students have successfully continued their academics from respective hometowns. University has organised Workshops/FDPs and other co-curricular activities in hybrid mode and ensured maximum participation including all stakeholders. University has also organised laboratory experiments with these students in respective facilities and connected remaining students. The use of adaptive learning technology helped the faculty members in assessing the student's knowledge and customise material, wherever possible to strengthen the learning experience.</p> <p>The online and hybrid academic experience was excellent for the faculty, since we were well acquainted with ICT. The work from home practice has provided opportunity to the research scholars and the faculty members to adapt towards the digital mode for knowledge sharing. Members of the faculty utilized this period in promoting research in various ways, viz. submission of research proposals, writing and communication of research and review papers, literature reviews, data compilation and interpretation, writing patent applications, learning new software, exchange with peers, networking, fostering collaborations within and outside Amity world, organizing research webinars, working on fresh MOUs etc. The hybrid mode has opened the new academic window to cater the need of early joiners and industry interns to continue their academics.</p>
