SDG9: Industry, Innovation, and Infrastructure

Amity University Rajasthan is offering 68 Academic Programmes under the canopy of 16 departments, which has dedicated Industry Advisory Councils (IAC) to ensure on ground industry integration. Industry experts helps in curriculum design, delivery, internship, placement opportunity, need based consultancy, projects and acting as a torch bearer in which University executes its 5-year plan. Academic leaders of the department ensure to incorporate 30% components relevant to current industrial processes and made compulsory internship component in programme structures.

Faculty of Science and Engineering, Faculty of Management are running industrial need-based R&D under which scholars are publishing and shaping their career also. Recently 16 budding ideas have been registered for possible spin offs.

Some of the industrial supports have been directed to fund doctoral research of Ph. D. Scholars. University has recently developed and transferred Technology on Paratuberculosis to Genomic Carl – USA.

AMITY INNOVATION INCUBATOR (STARTUP)

Sr. No.	Start-up Name	NAME	PROGRAMME
1	rMedical	ANANYA PANDEY	B.TECH(CSE)
2	DoneGigs	SEEYA AGARWAL	B.TECH(CSE)
3	StopPe	KUNAL RAWAT	B.TECH(CSE)
4	Carequeue	SAPNA DESAI	BBA LL.B.(H)
5	Saarthi	YASHASWI DIWAKAR SINHA	B.TECH(CSE)
6	LaunderIt	SAKINA VOHRA	B.TECH(FT)
7	The Inner Cosmos	ADITI SHARMA	MA PSYCHOLOGY
8	Paibandhkaari	MUKUL SOPRA	BBA
9	Freeganic Hunt	SAKSHI RAO	B. DES (FD)
10	Scrapwala	UDAY BHAN SINGH	BBA
11	The sword of Knowledge	TARUN TILOKCHANDANI	BA POLITICAL SCIENCE
12	GuardBox	YASH CHOUHAN	BBA
13	RevVaX	SRISHTI AGGARWAL	B.SC (H) MICROBIOLOGY
14	Digital Chef	SHIVAM AHUJA	BCA (CYBER SECURITY)
15	pKiosk	HARDIK CHOUDHARY	BCA
16	Cubicle	NILADRI GHOSH	M.SC GRAPHICS & ANIMATION
