NTPC Limited, India's largest power company with an installed capacity of 31,134 MW is presently operating 15 coal based, 7 gas based power stations and 4 joint ventures. NTPC contributed around 1/3rd of the country's entire power generation during the year 2008-09 and plans to become a 75,000 MW power company by 2017. NTPC has moved ahead by diversifying its portfolio to emerge as an integrated power major with presence across the entire energy value chain. NTPC has been allocated 6 coal mine blocks which are expected to produce 48 million tons per annum. NTPC has been ranked No. 1 in 'Best Workplaces for Large Organizations' and eighth overall in 2008 by Great Places to Work in collaboration with the Economic Times.

NTPC has ambitious growth plans and to make it happen NTPC is looking for promising, energetic young Graduate Engineers and professionals with brilliant academic record to join the organization as:
