

K.C.Mahindra Scholarships for Post-Graduate Studies Abroad

The K C Mahindra Scholarship for Post Graduate Studies Abroad is an interest free loan scholarship which is awarded to deserving graduates interested in pursuing their post graduate studies overseas. This scholarship has been ongoing since 1956. Announcement of the scholarship is done at the month of January in leading newspapers throughout India. Currently the maximum amount awarded per scholarship is Rs. 95,000/. From last year, KCMET has also announced the KC Mahindra Fellows Fund where the 3 most deserving candidates selected for the abovementioned scholarship are awarded an interest free loan scholarship ranging from Rs 5 to Rs 8 lacs, based on merit and need.

To be eligible, the candidate is required to possess a First Class degree or equivalent diploma of the same standard from a recognized university. The candidate must have secured admission or at least have applied for admission to a reputable university or institution abroad at the time of submission of the application form. The application form can be collected from our office at the end of January. Shortlisted students are called for the final interviews which are held in July. At the time of the interview you should have secured admission into the institute.
