

Student Centric Facilities

Hostels- AUM has separate hostel facility for boys and girls within the campus. The accommodation is "Apartment Style" with suites of bedrooms that share a common lounge and washroom. Each bedroom provides double occupancy and each apartment has 6 occupants. The rooms are well lit and well ventilated, with geysers in every bathroom and TV set in the common room for entertainment. Each student is provided with a separate bed, mattress, pillow, pillow covers and sheets, cupboards and study table with chair. To make the environment safe, healthy and more conducive to study, the university ensures 24 hour water supply and power supply, tight security with surveillance cameras and 24X7 security guards.

Cafeteria- A spacious well lit and well ventilated cafeteria in the university serves sumptuous and healthy food to the students. A healthy and tasty start to the day begins with the breakfast at 8am, lunch, evening snacks and dinner at 8pm; the cafeteria serves a variety of menus which are both healthy and tasty.

Transportation- Bus service is made available for the students from Panvel station to the University Campus. There are buses in the morning for pick up and in the evening for dropping the students.

Medical- Medical facilities are made available 24X7 for the students of AUM. The medical room is located within the hostel so that the students can easily avail medical care. Trained medical staff is available at all times. For emergencies and major medical problems, there is an ambulance available on campus to reach better medical aid.
