Organizes

2nd Amity National MED-ARB competition, 2015

To be held on

September 3rd, 2015

Amity Law School, Centre II cordially invites students from all Law Colleges to participate in a mind boggling and brain storming session.
THEME OF THE COMPETITION

*Med-Arb* is a hybrid of Mediation and Arbitration. Thus subject to variations, the essence of *med-arb* is to allow a softer mediation process to occur first, thus taking every opportunity of achieving a resolution to a dispute which is not imposed and to which each party to the dispute subscribes voluntarily.

In this initial phase, the presiding neutral third-party acts as a mediator and coaches or encourages the parties towards a settlement taking into account the information received from both at a mediation hearing. *Med-arb* motivates the participants at the mediation given the shadow of the hammer of *med-arb* : the transformation, if mediation fails, of the process to arbitration. At that point, the presiding officer, now sitting as an arbitrator and no longer as a mediator, is enabled to proceed as if the hearing was one of arbitration and to impose a resolution, a final and binding award, generally relying on the information presented during the mediation hearing.

Amity Law School, Centre II is organizing its 2nd Amity National MED-ARB competition on September 3rd, 2015. The attempt of conducting the *Med-Arb* competition is to provide a congenial analytical platform for students to test their ability to mediate and arbitrate a legal dispute. In this endeavour of making significant contribution in the province of Law, we cordially invite students studying in different Law Colleges to take part in the competition.
