Important Guidelines for Students:

1. Wear proper formals / business suits and carry warm clothes along with you.
2. Inform parents/ guardians about the recruitment process which can continue till midnight or even beyond that.
3. Arrange your own transport.
4. Strict Discipline need to be followed
5. Students should not discuss their individual problems directly with company delegates. Students must discuss their problems first with their TPO’s and than with ATPC.

6. ATPC strictly follows One Student One Job Policy. If any student found placed in more than one company, all offers made will be cancelled and he/she will be debarred from future campus recruitment drive by ATPC.
