OUTCOME! - OUTCOME! - OUTCOME!!

Just close your eyes and think, how much hard work, sincere work and dedicated work, you have done in your professional career till today. You will yourself come to the answer, that it was tremendous.

Now think, what has been the outcome of all your such painstaking efforts at the sacrifice of many aspects of your personal and professional life. You yourself would then know that every effort, however, painstaking, sincere and with hard work it was, it was not worth it without outcome. Still you have an opportunity at Amity to achieve, what is missed so far and this would give you a lot of mental peace, energy and vigor -

Dr. Ashok K Chauhan

FROM THE DESK OF GROUP VICE CHANCELLOR

It is with great pride and enthusiasm that we present the latest issue of our newsletter with the highlights of the 22nd edition of our annual business conference INBUSH ERA WORLD SUMMIT 2022.

The spirit and passion of Amity, as envisioned by our Honorable Founder President and Chancellors is to nurture unique platforms to intellectually stimulate thought leaders, professionals, researchers, and students. The essence of INBUSH has been to bring them together to share, brainstorm and collaborate for meaningful outcomes.

We heartily thank all the distinguished speakers, scholars who presented their papers, the industry captains, foreign delegates, bureaucrats and participants who were in attendance for this summit organized by Amity.

We have come here to build a future, and central to our future, are the changes and strategies desired for managing a business in technology driven societies. We've made significant strides and invested in technology to enhance our efficiencies. Now we have to manage them effectively.

Eight enriching interactions through our IEEE technical sessions during INBUSH gave many thought-provoking ideas on the theme.

In the months and years to come, it's time to dedicate ourselves to the ideals of many useful insights that emanated from the 22nd INBUSH ERA World Summit 2022.

Your constant support encourages us to organize magnum opus conference like INBUSH ERA at the Amity.

Looking forward to welcome you all in next edition of INBUSH ERA World Summit 2023 scheduled to be held from February 22-24, 2023. Block your Diary!!

Prof. (Dr.) Gurinder Singh
Group Vice Chancellor, Amity Universities

Virtual Splendiferous INBUSH ERA WORLD SUMMIT

INBUSH ERA World Summit is creating history in terms of magnanimity, grandeur and participation . A Summit which is being organized for past 22 years and each year it touches new milestone, creating a niche among other B School conferences.
