

Amity Institute of Food Technology Amity University Noida, Uttar Pradesh

Amity Institute of Food Technology (AIFT) was established under the aegis of Amity University Uttar Pradesh, Noida in 2006. AIFT offers two undergraduate programmes- B.Tech.(Food Technology) and B.Sc. (Nutrition & Dietetics), two Post-graduate programmes-M.Tech. (Food Technology) and M.Sc. (Foods & Nutrition) and two Doctoral programmes Ph.D. (Food Technology) and Ph.D. (Foods & Nutrition). As a mission, AIFT has been functioning as a model educational institution and creating valuable human resource in Food, Science, & Technology and Nutrition Domain for the last 16 years. It has also been successful in building Academia-Industry linkages to facilitate easy access for students for their training and placements. Institute is also taking a big leap in discovering, developing, and designing next generation Food and Nutrition concepts which would eventually meet the needs of Industry and people to overcome malnutrition, optimal conservation, and utilization of nation's food resources.
