

Medical Services Available at the Amity University Madhya Pradesh

At our university, we prioritize the health and well-being of our students, faculty, and staff. The on-campus medical services are designed to provide comprehensive care, promote wellness, and support individuals in maintaining optimal physical and mental health during their academic journey. Here's an overview of the key medical services available:

1. Primary Care Services

- **General Health Check-ups:** Our medical clinic offers routine health exams and consultations for common illnesses, injuries, and general health concerns.
- **Immunizations:** Vaccinations required for university enrolment and personal health are available on-site.
- **Chronic Condition Management:** Our medical team can help manage conditions like asthma, diabetes, hypertension, and more.

2. Mental Health and Counselling Services

- **Therapy and Counselling:** We offer confidential counselling sessions to help with stress management, anxiety, depression, relationship issues, and other mental health concerns.
- **Support Groups:** Group therapy and peer support sessions are available for students facing similar challenges.
- **Crisis Support:** Immediate support and referrals are available for mental health crises.

3. Emergency Care

- **On-Campus Emergency Medical Services:** Our clinic is equipped to handle minor injuries and medical emergencies. In the case of a more serious situation, we provide prompt referrals to nearby hospitals and emergency services.
- **24/7 Emergency Contacts:** We ensure that emergency contact numbers and resources are available for any urgent medical needs at any time.

4. Health Education and Wellness Programs

- **Workshops and Seminars:** Regular health education workshops cover topics such as nutrition, fitness, sexual health, stress management and sleep hygiene.

- **Fitness and Nutrition Guidance:** Personalized fitness and diet consultations are available to promote overall well-being.

5. Women's Health Services

- **Routine Check-ups and Screenings:** We offer gynecological exams, family planning services, and advice on reproductive health.
- **Sexual Health Support:** Confidential counselling and services related to sexual health, contraception, and STD testing are available.

6. Pharmacy Services

- **Prescription Refills:** General medicines are available in the Campus and for other medicines students are allowed to purchase desired medicines from outside the Campus.

7. Specialist Referrals

- If more specialized care is needed, our health centre provides referrals to a network of medical professionals, specialists, and clinics within the local community.

8. Physical Therapy

- **Rehabilitation Services:** Students who have suffered injuries or require physical therapy for musculoskeletal issues can access rehabilitation services at the health centre.
- **Injury Prevention:** The centre provides advice and exercises designed to prevent sports and physical activity-related injuries.

9. Dental and Vision Referrals

- While dental and vision care services are not directly provided on campus, referrals to local dentists and optometrists are available for students who need specialized care.

10. Student Wellness Programs

- **Peer Health Advocates:** Trained student volunteers are available to help fellow students with health-related questions, support, and referrals.
- **Wellness Events and Activities:** Throughout the year, various wellness activities, fitness challenges, and awareness campaigns are held to encourage healthy living among students.

11. These services are designed to ensure that students can focus on their studies and extracurricular activities without worrying about their health. For more information or to schedule an appointment, student can visit MI Room. We are here to support you every step of the way.
