

## **Baretha Village Visited under Unnat Bharat Abhiyan (UBA) for the VIDHYA Project on Dated 24 January 2024 (Friday)**

Amity University Embarks on a Transformative Journey with "VIDHYA" Project at Baretha Village Under Unnat Bharat Abhiyan

On 24th January 2024, Amity University Madhya Pradesh marked a significant milestone by visiting Baretha Village, Gwalior, under the prestigious Unnat Bharat Abhiyan (UBA) to implement the pioneering "VIDHYA" Project. UBA, a visionary program of the Ministry of Human Resource Development (MHRD), Government of India, is dedicated to driving sustainable rural development by bridging the urban-rural divide. As part of this initiative, Amity University has proudly adopted five villages—Baretha, Ikehara, Utila, Udaipur, and Sirsaud—to catalyze their growth in collaboration with the district administration.

The UBA Cell initiated its journey with a comprehensive survey at Baretha Village, led by a distinguished team of faculty members: University UBA Coordinator-Dr. Deepak Motwani (PI) Associate Professor-ASET-CSE,

Mr. Ashish Tripathi, Dr. Narendra Kumar Garg, Dr. Ajay Kumar Dadoriya, and Mr. Sunil Goyal (PRO, Media Coordinator, ASCO). Through this survey, critical insights into the challenges faced by villagers were gathered, laying the groundwork for impactful solutions.

Baretha Village was chosen as the launch site for the revolutionary "VIDHYA: Virtual Intelligent Digital Helper for Youth and Adolescents" project. A subsequent visit to the village school, conducted with the gracious approval of Honorable District Education Officer (DEO) Mr. Ajay Katiyar, Principal Purshotam Sharma involved in-depth discussions with teachers Mr Shivkant Sharma , Priti Agarwal . Their valuable feedback helped finalize the location for the project's implementation. The initiative received glowing appreciation from the DEO and teaching staff, heralding it as a beacon of progress.

Interaction with students and story writing competition was conducted and the prize will be distributed on the next visit discuss with faculty members about the Vidhya project, students were so happy with interacting with the Virtual avatar of Vidhya, A few questions asked by Students like How to become Doctor, What is Food digestion process.

The "VIDHYA" Project, aimed at bridging digital gaps and empowering rural youth, has been granted a financial sanction of ₹80,000 under the "Technology Development" category (UBA Project No. RP-03525G). This funding aligns with the goals of SEG Curriculum Reforms and Educational Institutions Social Responsibility.

Driving the project forward, a passionate team of students, including Prashant Sai Kalepu, Mohammad Azam, Rahul Singh Dhakad, Ajay Pratap Tomar, Hardik Chandra, and Karan Kumar Chaurasiya, volunteered to ensure its seamless execution and success.

UBA Coordinator Dr. Deepak Motwani presented a compelling overview of the project and its far-reaching impact.

The university leadership, including Honorable Pro-Chancellor Lt. Gen. V.K. Sharma, and Acting Vice-Chancellor Dr. R.S. Tomar, Pro-Vice Chancellor (R) Dr. M.P. Kaushik, and Acting HOI ASET Prof. (Dr.) Vikas Thada, applauded the UBA team's dedication. They commended the initiative as a transformative step toward rural upliftment and extended their heartfelt wishes for its continued success.

The "VIDHYA" Project is not just a digital initiative but a ray of hope for rural communities. By empowering youth with digital literacy and fostering skill development, the project envisions creating a self-reliant and skilled generation capable of shaping a brighter future. Amity University's commitment to innovation, education, and social responsibility is paving the way for a transformative journey that will leave a lasting impact on society.

This initiative exemplifies how education, technology, and community engagement can come together to create a better tomorrow. Baretha Village now stands as a testament to the power of collective effort and visionary leadership.
