Aim and scope

This conference is an opportunity for global professionals to engage, learn and explore what's next in the realms of Blockchain, AI, Big Data, IoT and IT Technologies from the perspective of Global Trade and International Business. Through a series of diverse knowledge tracks, gain vital insights by participating in thought-provoking discussions about the world-changing potential application of such technologies. ICIEM is the place to be!

This special session offers an excellent international platform for sharing knowledge, results in theory, approach and emerging IT technology for diverse applications.

Track /Sub-themes (but not limited to)

- AI in Blockchain
- Cross-Cultural Management in Digital Age
- Sentiments Analysis
- Artificial Intelligence Evolving International Business
- Global Business Trade and Technology
- Applicability of AI, Machine Learning and IOT in Organizations
- Fuzzy Logic
- Smart Cities
- New Age Technology in International Trade: Opportunities & Risks
- Global Trade: Innovation and Disruptions
- Data Analysis in Global Trade
- Blockchain in Global Trade
- Trading services via digital platforms
- Impact of 3D-printing on global trade
- Artificial Intelligence and Machine Learning in Global Trade
- Usage of Mobile payments in Emerging Economies for business aspects
- Marketing through Internet in International Business
- E- commerce readiness assessment and strategy formulation in International Business
- Data Mining techniques in International Business
- Right trade Logistics and Cross- border facilitation through ICT infrastructure and services

PAPER SUBMISSION PROCESS:

Please submit your paper at following link:

https://www.amity.edu/iccakm2021/papersub.asp

During the submission be aware to submit the paper by clicking "**Artificial Intelligence and Blockchain Technology -** "Dr. Monika Sharma and Supriya Lamba Sahdev"

Mobile No.: +91-9999252144

Important Dates:

PAPER SUBMISSION DEADLINE: 30th Nov 2020

NOTIFICATION OF ACCEPTANCE: 15th Dec 2020

CAMERA READY PAPER SUBMISSION DEADLINE: 30th Dec 2020

LAST DATE OF REGISTRATION: 25th Dec 2020

CONFERENCE DATE: 19th – 21st Jan 2021

Submission Guidelines:

• Submit your manuscript either in PDF or in Microsoft Word format.
• Authors should only submit originally written, unpublished work to ICCAKM-2021.
• Submissions should strictly follow the recommended IEEE conference template.
• All references must follow the IEEE format of referencing
• To facilitate the paper's double-blind peer review process, authors should not mention name and affiliation at the top as per template and make efforts to ensure that information about the authors identities/name/affiliation do not appear anywhere in the text-body of the paper. (for the Initial submission)
• Authors will be considered as mentioned in Easy Chair.
• Please limit your paper within 6 pages, and the size of your PDF file less than 2MB, files larger than 2MB will not be accepted for upload.
• Authors wishing to submit an over-length manuscript may do so. There will be an over-length page fee for authors and limited to an additional 2 pages (maximum page submission is eight (8) pages). This payment is required at the time of registration.
• All fonts must be embedded in the file.
• Authors cannot be added or removed at later stage.
• Fonts that require non-English language support are not allowed.
• The document should not have any password protection.
• Do not put your own page numbers on the manuscript.
