ICIVA '23

ART & LiFE

LIFESTYLE FOR ENVIRONMENT

17TH October, 2023

F-2 Auditorium, Amity University, Sector 125, Noida, U.P.

CONFERENCE THEME

Art & LiFE - Lifestyle for Environment

Visual Art in contemporary world has opened itself to incorporate various inter-disciplinary approaches. Contemporary society and contemporary forms of communication are driven by technological, social, economic, and political changes and thus function in a multimodal environment. Postmodern era saw many artists who moved beyond the conventional idea of art and experimented with various methods and mediums.

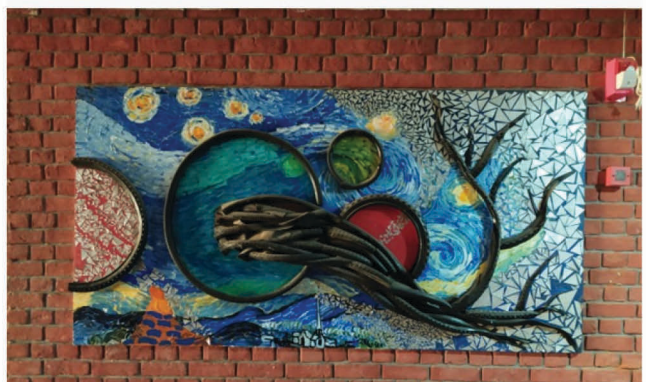

The G-20 Summit theme spotlights LiFE - Lifestyle for Environment, with its associated, environmentally sustainable and responsible choices, both at the level of individual lifestyles as well as national development, leading to globally transformative actions resulting in a cleaner, greener and bluer future. The theme affirms the value of all life – human, animal, plant, and microorganisms – and their interconnectedness on the planet Earth and in the wider universe.

Sub Theme, But Not Limited To:

- Art and Environment
- Sustainable Material Culture in Art
- Art and Responsible Choices
- Art and Ecological Printmaking
- Art and Eco-friendly Installation
- Unconventional Art Trends (New-Media Art)
- Contemporary Designers
- Visual Arts with Design
- Art Aesthetics & Philosophy
- Art & Animation
- Visual Communication & Art
- Graphic Design & Art

Event Objectives:

- To spread Awareness about G-20 theme: One Earth. One Family. One Future
- To spotlight LiFE - Lifestyle for Environment, to Art with environmentally sustainable and responsible choices, in aspect of Visual Arts.
- To give platform for Academicians, Art Critics, Artists, Art-Gallery owners etc. of G-20 countries to interact and exchange ideas for equitable growth through turbulent times, in a sustainable, holistic, responsible, and inclusive manner.
- To explore the latest research and advancements in Field of Visual Arts, in a unique approach of living in harmony with the surrounding ecosystem.

Conference Outcomes:

- The Conference will give a platform for academicians, researchers, and experts of National and International repute to interact and exchange ideas, about collaborating in G-20 summit.
- The Scholars will also acquaint about the value of all life – human, animal, plant, and microorganisms – and their interconnectedness on the planet Earth and in the wider universe.
- The Experts of G-20 Summit countries will be aware about environmentally sustainable and responsible choices to be made, both at the level of individual lifestyles as well as national development, leading to globally transformative actions resulting in a cleaner, greener and bluer future.
