In today's time, when the world is running amok in the pursuit of money and other material possessions, the day reminds Amitians of the importance of the 'Sense of belongingness' in maintaining peace and harmony.

The celebration of this auspicious and significant occasion has become more memorable and rewarding for each and every Amitian to have address of the World-Renowned spiritual leader **Sri Sri Ravi Shankar Ji** on Belongingness followed by a keynote address by **Dr. G. # AIIT GOES TO ATULASHA!

On the birth anniversary of Mahatma Gandhi, upholding the values of giving back to the society and in remembrance to the sacrifices of the man with the "lathi", students of Amity Institute of Information Technology went to Atulasha for conducting a fun-filled donation drive. First, the students at Atulasha were surprised by the gifts our students from AIIT bought for them. They were gifted with new notebooks, pens and a lot of other things. They did many activities like story telling, drawing and painting and playing games. A lot of new friendships were made in a span of few hours making the day memorable for everyone. There were also equal efforts by our faculty members who strived so that the drive could be carried out successfully.

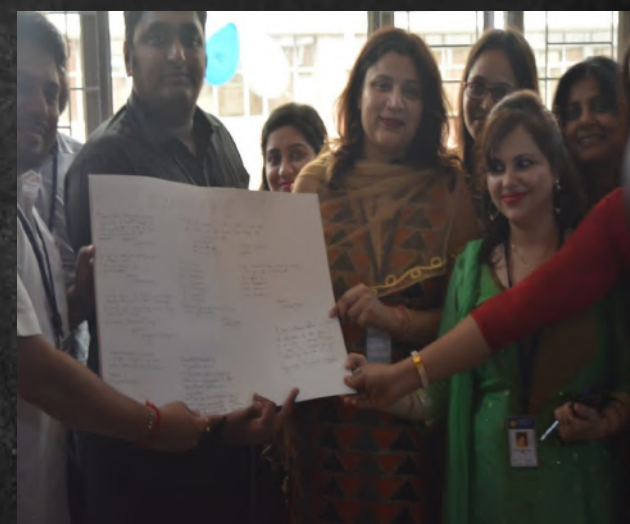

# GURU – CHHATRA DIWAS

“गुरु ब्रह्मा गुरु विष्णु, गुरु देवो महेश्वरः,

In India, the Teachers' day is celebrated on the 5th of September every year, as a tribute, to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan, who was a staunch believer of education and was a well-known diplomat, scholar, the President of India and above all, a teacher.

It is the most awaited festival for our teachers at AIIT because, on this day, there is an exchange of responsibilities between the teachers and students, students went to class to deliver lectures on the ongoing semester subjects. On this day, our teaching was started as usual. All the students in role of teachers who had no lectures they had seated in staff room. All other non participated students were also studying seriously without making mischief.

The event ended the beautiful energetic performances to express love and gratitude to the teachers. Teacher plays great role in the student's lives. Teachers are the real shapers of future of the students which can never be ignored. Teachers make their own lesson plan to make education more effective and interesting as well as facilitate students learning. The students took great effort to ensure that teachers enjoy every minute. The efforts of students were appreciated by teachers, making the event a grand success.
