- a) **Amity Law School, Delhi**
- b) **Amity School of Engineering & Technology, Delhi**
- c) **Amity Institute of Education, Delhi**
with GGSIPU

Dear Sir,

We take reference of our letter dated 4th May 2018, in which we requested to initiate the disaffiliation of our above-mentioned Institutions.

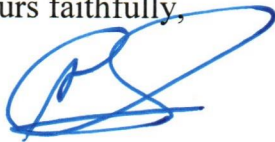

We appreciate that through your notice dated 12th June 2018, with reference No. GGSIPU/RBEF/(Aff)/2018-19/2390 you have agreed to our request that no admission will be carried out in the Academic session 2018-19 in the above-mentioned Institutions.

In our letter of 4th May 2018, although we had desired the total closure of the above-mentioned three Institutions, but at the same time, we had also mentioned that "we would like to reiterate our commitment towards ensuring the interest of our students, which is paramount for us." In the meantime, we have received a large number of requests from the students, parents, guardians and other stake holders of above-mentioned three Institutions for continuing the ongoing academic years till the students have passed out.

Therefore, in view of such requests, we would continue the ongoing batches and see the whole process as progressive closure, i.e. also in the forthcoming years no new admissions would be taken.

This is for your kind information and we hope you will be in agreement with above.

Yours faithfully,

Dr. Atul Chauhan
President
Ritnand Balved Education Foundation (RBEF)
