Call for Papers for Special Session on Emerging Trends in Infocom Technology and Management

<u>Session Chair</u>

Dr. Deepak Kumar
Amity Institute of Information Technology, Amity University, Noida, India
+9- 9953036059,+91-986803308277
dkumar8@amity.edu, deepakgupta_du@rediffmail.com

Theme of the Special Session

This special session aim to provide an international forum where researchers and practitioners in the fields of Infocom technology, software engineering and their applications can interact, exchange ideas and disseminate their accomplishments and visions. The objectives of this session can be illustrated as: To provide conceptual understanding of emerging trends in Infocom Technology and management. To develop quality software by using skills of various software engineering concepts. It will also discuss the theory behind the information technologies in management. To describe E- Commerce applications and cloud computing. To explore the implementation of IT-security and ethical and social challenges related issues..

Topics of Interest: We invite original (un-published) research contributions based on the above mentioned theme including following topics but not limited to:

- Software Engineering
- Information technologies in Management
- E-Commerce
- Artificial Intelligence System
- Cloud Computing
- IT-security, Ethical and societal Challenges

Important Dates

Receiving full paper	August 20, 2017
Email notification of paper acceptance	September 15, 2017
Last date for receiving camera-ready paper	September 25, 2017
Last date of registration (Early Bird)	October 15, 2017
Last date of registration (With Late Fee)	November 10, 2017

Program Committee

- Prof P K Kapur, Amity University, Noida, India,
- Prof.D.K.Sharma, University of Maryland Eastern Shore, USA,
- Prof. Daniel Okunbor, Fayetteville State University (A Constituent Institution of the University of North Carolina), USA.
- Dr. Peeyush Tewari , Birla Institute of Technology, Mesra,
- Dr. B. B. Sagar, Birla Institute of Technology, Mesra,
- Dr. Nitin Rakesh, Amity University, Noida, India
- Dr. Ashish Mani, Amity University, Noida, India
- Dr. Loveleen Gaur, Amity University, Noida, India,
- Dr. Munesh Trivedi, ABES, Ghaziabad, ndia

Please submit your paper (in pdf file of your full length paper in IEEE format) at https://easychair.org/conferences/?conf=ictus2017 with a copy of the paper to deepakgupta_du@rediffmail.com or dkumar8@amity.edu with *"Emerging Trends in Infocom Technology and Management and Easychair Paper Id"* mentioned in the subject line.

Extended papers from this special session will be coming in special issue of *Journal of Cases on Information Technology (JCIT)*
