ABOUT AMITY UNIVERSITY

It gives us immense pleasure to introduce to you **Amity, India's Leading Education Group imparting education from Pre-Nursery to Ph.D.** Amity is the leading unparalleled group of India with 23 years of educational experience, over 1,25,000 students studying across 1000 acres of hi-tech campuses and 4500 strong faculty led by various former Vice Chancellors. A milestone in Amity's unceasing endeavor for achieving educational excellence is the establishment of the Amity University Uttar Pradesh as a pace setting University. With the blessings of our beloved Founder President Dr. Ashok K Chauhan and under the vibrant leadership of dynamic Chancellor Dr. Atul Chauhan, University is committed to providing skills based quality education comparable to the best by international standards and it subscribes to the philosophy of blending modernity with tradition and nurturing talent. At Amity we are passionate about grooming leaders who are not only thorough professionals but also good human beings with values and Sanskars. This is just one of the many reasons why we are consistently ranked #1. Amity's fast expanding network of globally benchmarked institutions has resulted in campuses across Dubai, London, Singapore, New York, Mauritius, China and Romania with further plans of establishing campuses in 25 countries.

Amity is a leading Research and Innovation driven University, constantly ranked amongst the top and is accredited by prestigious organizations worldwide:

- QS Ranked Amity Amongst the Top Universities in Asia
- Recognized by University Grants Commission (UGC)
- Member of the Association of Indian Universities (AIU)
- Accredited by NAAC with 'A' Grade
- Recognized as a Scientific and Research Organization by DISR, Ministry of Science & Technology, Government of India
- Accredited by Western Association of Schools and Colleges (WASC), ASIC & IET, UK

ABOUT AMITY UNIVERSITY DUBAI CAMPUS

Amity University Dubai Campus is committed to nurture talent through world-class education and conduct research in line with the UAE's vision for the future.

Based out of the Dubai International Academic City, Amity University Dubai Campus rubs shoulders with the leading institutes and universities spread across North America, UK, Europe, and Asia among others. This campus licensed by Knowledge and Human Development Authority, Government of Dubai offers 34 Under Graduate and Post Graduate degree programs in the cutting edge areas in line with the Government's national agenda.

Objective

ICTUS'2017 aims to explore growing advancements in the fields of Information Communication and Unmanned Systems Technologies. It will provide a common platform to leading scientists, academicians, researchers, government officials, practicing engineers, industry professionals and students to share their research experiences and views. Participants are invited to submit their research papers and case studies in the field of Information Technologies, Telecommunication, Networking Technologies, Unmanned Systems and Aerospace Technology.

In this globally competitive environment scientific analysis of system under study is the key issues in attaining market leadership. This competitive advantage through quality process, product and services in the market place is possible through the development of knowledge bases and easy access to structured databases on systems, processes and technology based on quantitative study.

The Conference will not only take stock of trends and developments at the globally competitive environment, but will also provide future directions to young researchers and practitioners. Besides, it will help in sharing of experience and exchange of ideas, which will foster National collaboration.

The Conference would be of immense benefit to Management, Researchers, Academicians, Industry and participants from Technical Institutes, R & D Organizations and students working in the field of IT.

Call for papers

Authors interested in presenting research papers of theoretical/applied nature or case studies are invited to submit their full-length paper latest by September 10, 2017 (extended date). The paper should include keywords/phrases, full address and e-mail id of corresponding author.

Authors should prepare a word file version of their full paper of maximum 6 pages. Papers must be according to IEEE format. Accepted papers will be published in the Conference Proceedings provided at least one of the authors register and undertake to present the paper. Conference Kit will be provided only to the registered authors.

Registration Fee

The registration fee includes Conference kit, lunches, tea/coffee and one conference dinner. The registration fee is to be paid by account payee demand draft in favor of "**Amity University Uttar Pradesh**" and payable at Noida, India. Conference Fee DOES NOT include Transportation and Accommodation charges.

Individual letters of invitation, which can be useful for obtaining grants, will be sent on request.

Conference Topics

The topics of the Conference would include but not restricted to:

Information Technologies

- Free and Open Source Software
- Natural Language Processing
- Cloud computing
- Artificial Intelligence and Experts Systems
- Data Mining and Data Warehousing
- Convergence Technologies
- Human-Computer Interface
- Mobile Computing
- Advances on Computing Mechanisms
- Software and Web Engineering

Telecom & Networking Technologies

- Cellular Communication
- Broad-Band Technologies
- Wireless Sensor Networks
- Satellite & Radio Networks
- Mobile Ad-hoc Networks
- Optical Networks & Components
- Microwave Communication
- Antenna Design
- Latest Trends in Telecom
- Information and Network Security
- Spectrum Management

Aerospace & Avionics

- Aerodynamics and Flow Analysis
- Aircraft Structure and Analysis
- Advanced Composite and Novel Materials
- Flight Vehicle Propulsion
- Flight and Space Mechanics
- UAV/MAV
- Flight Safety, Reliability & Airworthiness

Quality, Reliability and Risk Analysis

- Risk Analysis
- Probabilistic Safety Assessment
- Quality Assurance
- Software Reliability and Testing
- Systems Reliability
- Reliability and Maintenance Models
- Fault Tolerance in Hardware and Software systems

PATRONS-IN-CHIEF

Dr. Ashok K Chauhan, Founder President,
Ritnand Balved Education Foundation (RBEF)
Dr. Atul Chauhan, Chancellor,
AUUP, Noida, India & President, RBEF

PATRONS

Prof. Balvinder Shukla, Vice-Chancellor, AUUP
Dr. W Selvamurthy, President, ASTIF
Lt. Gen. (Retd.) P D Bhargava, Gr. Dy. VC, Amity University

CO-PATRONS

Dr. Vajahat Hussain, CEO, Amity University Dubai Campus
Prof. N Ramachandran, Pro VC, Amity University Dubai Campus

CONFERENCE CHAIR

Prof. Sunil Kumar Khatri, Director, AIIT, AUUP

INDUSTRY CHAIR

Prof. Ajay Rana, Director, ATPC, AUUP
