

AMITY CELEBRATES

“THE FOUNDER’S DAY”

Gratitude and affection marked the Founder’s Day celebrations in Amity International School Sector – 46. The Chairperson of the school Dr. (Mrs.) Amita Chauhan graced the occasion as the school geared up to celebrate the birthday of their Founder President, Dr. Ashok Chauhan. The festivities began with the traditional lighting of the lamp and the chanting of the Gayatri Mantra by the students of Amitasha, which is a benevolent venture of our Respected Chairperson Ma’am. Portraying their ingenuity, the students of the junior school band gave a sterling performance, rendering mellifluous music from instruments fashioned out of junk and recycled material. “Ashirwad’ – a dance drama, focusing on the life and teachings of the Founder President was a source of inspiration to one and all.

The day culminated in the giving away of awards to achievers from the fields of academics and sports in recognition of their commitment to excellence. The winners of the Inter Amity Commerce Olympiad were awarded by the Chairperson, who was delighted with the celebrations. The

overall trophy for both Class XI and XII was won by AIS – 46. The dynamic Principal of the school, Mrs. Arti Chopra stressed upon the need to modernize and update education with the influx of new ideas. The Chairperson, Dr. Amita Chauhan lauded the efforts of the Principal, Staff and students of AIS – 46.
