

# Rabindranath Tagore

We, the Indians are filled with pride,  
As his poems and stories are popular worldwide,

Being the first Asian recipient of Nobel prize,  
He was a person we cannot criticize,

Known as the '*Poet of Humanity*',  
The genius was also an eminent art personality,

Born as a Bengali,  
And famous for the '*Geetanjali*',

He not only composed the anthem of our nation,  
But also founded '*Vishwa Bharti*' for education,

His personality was in galore,  
We could not ask for any more,

The person I deeply adore,  
Is our very own Rabindranath Tagore,

Remembering him now is necessary,  
For this is his *150<sup>th</sup>* Anniversary.
