

Orientation Programme for the parents at Amity Sec- 46 , Gurgaon

“A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe.”

Under the able guidance of our Chairman ,Dr. (Mrs) Amita Chauhan, an Orientation Programme was organized for the parents of new admission at Amity International School, Sector 46, Gurgaon. The aim was to familiarize the parents, “as partners in progress” with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities,

The programme commenced with a warm welcome to the parents followed by the ceremonial lighting of the lamp. The School Principal, Ms. Arti Chopra, addressed the gathering. In her speech, she laid stress on effective communication between the teachers & the parents and also sought their support and suggestions so that the children could be provided the best for their overall development. She also gave guidelines about effective parenting. She also suggested different measures to nurture a child with love and care to build a strong foundation for a glorious future.

The parents were briefed about the rules and regulations of the school. Later, the teachers gave an overview of the various subjects like English, Math, and Social Science and not to forget the co -scholastic activities which gave them an assurance that the curriculum involves self-directed, hands-on learning activities which not only give vent to their creative talents and energies but also help in their all-round development of the child.

The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their children in a proper manner. It also helped in evolving a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.

It was followed by a session taken by the school Counsellor, who guided the parents about various principles involved in the teaching of life skills. They were also made aware about the cyber footprints which involved guidance related to the latest threat like cyber bullying.

Overall it was a fruitful meeting and the parents were in high spirits after attending the orientation programme.
