

## DONORS TURN UP TO GIVE THE GIFT OF LIFE

In line with our school motto "Service Before Self" & the vision of the Chairperson, Dr. (Mrs.)Amita Chauhan ,to reach out to the needy in times of emergencies ,a blood donation camp was organized at Amity International School, Sector 46, Gurgaon under the guidance of the Principal Arti Chopra. The campaign was an effort of the members of Interact Club in collaboration with the Alumni Association of AIS 46.The camp received an overwhelming response from parents and the staff. Over 45 Volunteers participated in the noble mission. Large scale arrangements were made within the school premises to facilitate donors and ensure proper storage and preservation of the donated blood. Doctors monitoring the donation advised the donors on precautions to be taken. Many first time donors also turned up to be a part of the cause.
