

**Amity International School, Pushp Vihar**  
**Kindergarten 2011 -2012**  
**Holiday Homework**

Children are born with natural curiosity and an inquisitiveness about the world around them. It is important for us to help them keep this spark alive and to make learning fun. Listed below are the activities for you to have fun with your child and help you spend quality time with them in our absence.

Make a time table & encourage them to get up early in the morning and go for a nature walk. Do encourage them to look around and observe, to hear different sounds-the chirping of birds, the fall of water, crackling of dry leaves and the smell of flowers. Please help our child to explore the world of colours, tearing and pasting, enhancing their imagination by story time, inculcating values and traditions by spending time with elders of the family and challenging their young minds with simple indoor games and puzzles.

Read out value based stories from Panchatantra to the child daily.

Make them practice their reading / writing skills. Revise phonic sounds with the little ones.

Make a small basket with 3 Dimensional summer fruits.

During the summer holidays plan out & create a beautiful scrap book of

“My Summer Memories”

- \*Photographs
- \*Pictures
- \*Post cards
- \*Tickets of train/aeroplane
- \* Fruits & vegetables we eat in summers,
- \*A collage from seeds of melon & watermelon.
- \*Pictures from old magazines and newspapers.

Let's tickle the inquisitiveness of our little ones by encouraging them to explore the amazing world of the 'Animals & Birds'. Make a puppet of birds/animals using straw, ice cream sticks, buttons, cloth, balls, paper bag and tell them about the Amazing facts of the animals/birds so that the child can come back and share with his/her classmates.

Submit the holiday project to the class teacher by 2<sup>nd</sup> week of July 2011. Parents are requested to spend time with their children- Do listen to them, encourage them to express themselves & just be with them.

**ENJOY THE VACATION! HAVE FUN!**  
**SCHOOL WILL RE-OPEN ON 4<sup>TH</sup> of JULY 2011**
