

STATEMENT OF FACTS

Mira Kapoor, a noted Bollywood actress was arrested for causing death of two pavement dwellers due to her rash and negligent driving. It is alleged that she was under the influence of alcohol at that time. The incident occurred on the night of 26th July 2010 at about 2:30 a.m. opposite Hotel Sea Royal which was merely two blocks away from her residence. Awake inquisitors gathered at the spot of accident surrounding the car. On preliminary site investigation it was revealed that Mira Kapoor had fled the spot of accident and that the vehicle involved in the accident was a Toyota Prado registered in 2007 in her name. The police arrived at the site and immediately filed an F.I.R on 26th July 2010 at 3:30 a.m. Due to inclement weather and heavy rains for the following 3 days the suburban areas were flooded. It is believed that Mira Kapoor was underground and could not be arrested for carrying out custodial investigation until 28th July 2010. On 29th July 2010 at about 8 a.m. Mira Kapoor was arrested from her residence with the aid of a lady constable. Preliminary medical inquires were conducted by the Chief Medical Officer of a government hospital. Blood samples to detect alcohol content in Mira Kapoor's blood were sent for examination. The reports stated that it couldn't be conclusively proved that Mira Kapoor was driving under the influence of alcohol at the time of the accident. Mira Kapoor's blood samples were sent to a renowned private hospital (MB Hospital). The Chief Medical Officer of MB Hospital upon further testing concluded as follows:

- i) Trace amounts of alcohol were existent in the blood however it couldn't conclusively be said that Mira Kapoor had excess alcohol in her blood.

- ii) An unusually high quantity of mephedrone drug, commonly known as M-CAT was traced in the blood sample.
- iii) The doctor further suggested that blood samples should have been collected at the earliest possible opportunity following the incident, in order to ascertain the probable existence of other narcotics and psychotropic substances.

Earlier, at the accident spot there were two passengers in the car who had not fled the scene of the accident. The person sitting on the passenger seat was a close friend of Mira Kapoor, who identified himself as Aryan Sharma. On 26th July 2010, when his statement was recorded at Tilak Marg Police Station, he admitted that the duo had spent the four hours preceding the accident, in four different restaurants. He also admitted that both of them i.e. Aryan and Mira were heavily intoxicated and stated that he had footed all the restaurant bills with his credit card. Upon further investigation, the police learnt that only one of the restaurants served alcohol. The police also collected the bills for food and beverages from the four restaurants stated above. Incidentally the bill did not specify the particulars of the beverages that were served to the two of them. However, the total beverage bill was Rs. 22,738.00/-. The restaurant manager had confirmed that the bill included alcohol, but due to some malfunction in the computer, the particulars couldn't be specified.

Aryan Sharma was a resident of UK and was unavailable for further investigation; hence the police were unable to comply with the procedure for recording the statement under section 164 of the Criminal Procedure Code, 1973 before the Magistrate. It was later learnt that Aryan Sharma had fled the

country. Subsequently in 2011, before the commencement of the trial, Aryan Sharma died.

The second person at the scene of the accident was Constable Ramesh Sawant who had been designated to provide personal protection to Mira Kapoor, as she had been receiving death threats. Constable Ramesh Sawant's statement was recorded in front of the Magistrate by following the due procedure under Section 164 of the Criminal Procedure Code, 1973. He also stated that Mira Kapoor was heavily intoxicated and insisted on driving the vehicle herself.

He further stated that Aryan Sharma had fallen asleep at the time of the accident, but was awakened by the impact of the accident. He stated that the car was being driven at a high speed above 100 Kmph, but was unsure of the exact speed.

The police also recorded the statement of 3 eye witnesses namely:

- i) Rajesh Dinanath Surve, watchman of Gurukripa Building.
- ii) Manoj Kishan Mehta, who was passing the accident spot on his bicycle and narrowly missed being run over. He did not give clear cut answers in his statement even though the police grilled him as to where he was travelling.
- iii) Bhola Raju Ram, another pavement dweller who was sleeping on the other side of the road.

In the F.I.R. the police registered offences under Sections 279, 337 r/w 304 of the I.P.C. 1860 and Sections 134(a), 134(b), 185, 187 of the Motors Vehicle Act, 1988 and Section 66 (1)(b) of Maharashtra Prohibition Act, 1949.

However on the insistence of the Investigating Officer and advice of the Public Prosecutor, sections 283, 304A, 338 and 510 were added at the time of filing of chargesheet

In the chargesheet, police have come up with a sequence of events leading to the accident. The police concluded that the actress was intoxicated and unable to control herself while driving. The police have concluded that it was a case of “hit and run” where the driver had fled the crime scene. Based on the massive damage suffered by the car and the skid marks on the road, the police concluded that Mira Kapoor had lost control of the vehicle due to her state of intoxication and crashed the car on to the pavement, killing two of the pavement dwellers instantly. The statements of the doctor from the government hospital, the private hospital and Ramesh Sawant (Constable/Bodyguard) were recorded.

The matter is now time bound and expedited by the High Court and is kept for hearing as the trial has been delayed for about five years. The delay was because the previous defence attorney had successfully managed to get Mira Kapoor out on bail from the Delhi High Court after it was rejected by all other courts. Delay was also caused due to stay on the proceedings in light of filing of Writ Petition No. 382 of 2010 filed by Mira Kapoor for quashing the proceedings u/s. 482 of the Criminal Procedure Code, 1973 in the Delhi High Court. The High Court has remanded the matter to the trial court with a direction to conduct trial on a day to day basis.
