MESSAGE FROM OUR BELOVED FOUNDER PRESIDENT

Dr. Ashok Kumar Chauhan
Founder President, Ritnand Balved Education Foundation
Chairman, AKC Group of Companies

It is my firm conviction that there are, in the contemporary world, challenges, socio-economic and political, which, if the legal system cannot meet them, will destroy it. These challenges are not the creation of lawyers; nor can they be suppressed by them. They have to be met either by discarding or by adjusting our legal system. I believe that our legal education should address the contemporary challenges effectively so as to adjust to the systemic needs. It is this quest, by way of excellence that I seek to achieve in the field of legal education.

In any given society, the law pays a vital role in regulating the affairs of the state including those of the corporate and business management. The integration of law in the field of economics and business management was not rightly realized till the dawn of economic liberalization in the beginning of 90s. Of late, some thoughts have been given to improve the standard of legal education and its integration with the requirements of economic and corporate world. We at the Amity Law School (ALS) seek to make it a model by improving upon the various suggestions from experts with regard to the blending of the law with the need of the corporate and business sectors.

In our country, we have immense talent among the youth and all that is required is to guide and bring out the best in them. The Institutes of the Ritnand Balved Education Foundation endeavor to realize the potential of the young talent. The paramount thrust is to create an international academic bridge by blending the advanced knowledge and modern teaching tools of the West with the rich traditional values, culture and heritage of the East.

The aim can be achieved only with the support and guidance of all those whose help the Amity Law School team has been seeking and would be seeking. I welcome all those who are going to share the feeling of satisfaction with the success of the Amity Law School and thank all those who have extended and would continue to extend their valued support in achieving our mission.
MESSAGE FROM THE CHAIRMAN - AMITY LAW SCHOOL DELHI

Prof. (Dr.) Dilip Kumar Bandyopadhyay
Chairman, Amity Law School Delhi

Amity being a global educational institution is fully conscious of the fact that law and society are interrelated and interdependent. In a world that is becoming even more inter-connected, we are committed to prepare our lawyers to partner with lawyers from around the globe. Considering the importance of law in the light of globalization in an evolutionary and dynamic context, ALS Delhi has positioned itself to provide the best of education to the next generation of lawyers who will practice on a world-wide stage.

We prepare our students, in addition to having top-flight legal skills, to understand and work intelligently with other professionals. We are aware of the fact that firms seek economies in their operations and they rely more and more heavily on law schools to expose their future attorneys to the kinds of sensibilities that are important to their clients. Hence we expose our students to the practices and dialects of other professions, as part of their legal training. Our commitment is to ensure that legal education is responsive to the needs of the legal profession.

We the members of Rittand Belved Educational Foundation under the visionary leadership of the Founder President, Dr. Ashok K Chauhan who established the Law School of its unique kind in 1999 with the affiliation of GGSIP University, put our best endeavours to make the students of ALS Delhi socially relevant and professionally competent. As such, the students are nurtured with the spirit and content of professionalism so as to make them perfect social engineers. It has created a climate and culture where academic excellence, leadership abilities and qualities are nurtured with value based education of love, care, affection and respect. Any Law School and law education which grows with this foundation and ideology is bound to impact the future society. These practiced philosophies have made ALSD to acquire a place of prominence and reputation within the legal fraternity. It has been consistently ranked as one of the top ranking Law Schools of the country.

The heart of any law school is its faculty and ALS Delhi is proud of having one of the finest groups of legal educators in the country. All of our Faculty members are UGC Net qualified
and in addition to LL.M. degree holders there are many Faculty members hold Post graduate and doctoral degrees in subjects ranging from Law, economics and history to Sociology and political science. Our effective collegial setting ensures that students benefit from all aspects of this cutting-edge work. The interdisciplinary study of law remains one of our core commitments. Students have immediate and easy access to professors and administrators. They know students by name, and have created a culture and atmosphere of faculty driven students’ centric law school.

The full-time faculty is enriched by part-time / visiting faculty members of highest distinction. Our proximity to Delhi allows us to bring into the classroom some of the top judges, advocates in the country. They share with our students the insights that can only be generated by years of practice at the highest levels.

The students hone their professional skills through an array of experiential opportunities. Our live-client clinics allow students to work in areas as wide-ranging as International Human Rights, Intellectual Property, Post-Conviction Justice, Alternative Dispute Resolution etc. Our internship program places students in positions in which they can work directly for judges, public interest attorneys, entertainment companies, and government officials.

I feel proud to be the Chairman of such an outstanding law school, whose core commitments are interdisciplinary, experiential learning, integration with the legal community, diversity, and community services.

I welcome dear students to this great law school with a prayer to the almighty GOD for your good health and effective transformation to become a great humane lawyer.
