Evaluation guidelines of Assignment

1st July 2020

This is the information for the students who are appearing in Re-scheduled Internal Examination (January – May 2020) that while working on their assignment, they should keep in mind the following common angles of evaluation provided to the faculty evaluators:

- 1- Concept clarity.
- 2- In-depth investigation/detailing.
- 3- Application of principles/provisions of law.
- 4- Comparative/analytical/critical aspects as per the situation.
- 5- Evidence based reporting/references.
