

# **RIMS AND AMITY UNIVERSITY CELEBRATE EDUCATION PARTNERSHIP**

With recent events highlighting the demand for greater risk management practices across all business sectors, *the risk management society*® and [Amity University](#) have entered into agreement to present a series of [RIMS-Certified Risk Management Professional certification \(RIMS-CRMP\)](#) prep courses to the institution's graduate and post-graduate network.

Amity University will offer a comprehensive risk management learning experience for Banking, Insurance, Actuarial Sciences and Finance graduate students – as well as to its network of established business executives – that aligns with the RIMS-CRMP, the world's only accredited risk management certification.

The five-weekend program will explore strategies to devise strong risk management capabilities, including:

- Analyzing business models;
- Designing organizational risk strategies;
- Implementing risk processes;
- Developing organizational risk competencies; and
- Supporting decision-making.

Upon successful completion of the programme and passing the RIMS-CRMP certification exam, participants will earn a "RIMS-CRMP (Certified Risk Management Professional) Certificate" from Amity University in addition to the RIMS-CRMP professional credential.

## **About RIMS**

RIMS, *the risk management society*®, is a global not-for-profit committed to advancing the practice of risk management throughout the world. They bring networking, professional development, certification, and education opportunities to our membership of 10,000 risk management professionals in over 60 countries.
