THE UNIVERSITY PROMOTE CONCIOUS USAGE OF WATER IN THE CAMPUS

Signage boards are installed at all blocks and entry points and students are advised to save water whenever possible.

University organized a webinar on “Water Governance and Management” on 06 May 2022 to take forward the initiatives for water conservation, as part of the Jal Shakti Abhiyan announced by Ministry of Jal Shakti, Department of Water Resources, in which UGC has proposed to integrate ‘Ek Bharat Shreshtha Bharat’ by bringing initiatives for activities centred around “Catch the Rain-2022”. A University Club, “Jal Sanchay”, was also inaugurated at Amity University on this occasion.
