Message by the Founder President

It is my obsession, junoon, and one of the missions of my life that the potential of each one of my students and alumni develops to the fullest. It is always my continuous endeavor to look for new findings, gather experiences and do research to fulfill my above dream.

My dear alumni, I wish to share with you, that if I have achieved any success in my professional career, entrepreneurial career and personal life, it is all because of my uncompromising urge to attain the highest success in whatever I pursue.

You, my dear alumni, have been my students for many years; have taken breath in an environment, in the air, which has given you the utmost urge to have distinguished identity in your professional/entrepreneurial and personal career.

It is very easy to reach to the pinnacle of success-for that, you have to dream big, dream with open eyes and make a roadmap to reach such great heights. That is all. But one thing, while pursuing your mission and goal, you should not deter from your path, no matter, whatever challenges, adversities and difficulties come in your way.

I am confident that having the genes of your worthy grandparents and parents and other noble senior blood relations and having inherited their values and sanskars and this coupled with education of Amity, where the power of Brahmastra "Behavioral Science" has been instilled in you, I am sure each one of my alumni would make a success story and thus, would become pride for their family, for Amity and for the whole nation and would contribute tremendously in making India a Superpower.

Festival/ Awareness Program/ Extension Activity/ Special Day Celebration

- Amity Business School organized an awareness drive for sustainability through recycling and reuse on 16th February. The event was organised in a slum area in Veerchand Patel Marg. Distributing old clothes to slum communities was a powerful way to promote kindness and address the basic needs of those facing economic hardships. By repurposing gently used clothing, we not only reduce waste but also provide comfort and warmth to individuals who may lack access to proper attire. This simple act of giving fosters a sense of solidarity and compassion, helping to uplift vulnerable populations. Additionally, it encourages sustainability by extending the life of clothing, thereby reducing the demand for new garments and minimizing environmental impact.

- Amity Business School celebrated "Green Diwali" with underprivileged children in Jagdeo Path, Patna. The event included rangoli-making, pot painting, drawing, and singing competitions, along with the launch of an environmental awareness campaign for MBA students with a new perspective on facing the world with the right attitude and values.
- Amity Business School hosted an International Women's Day Programme, celebrating women empowerment. Representatives from 11 NGOs working in areas such as women's education, skill development, domestic violence prevention, menstrual hygiene, and women entrepreneurship participated. The event featured a skit, dance, songs, and poems all centered around the theme of women upliftment. Chief Guest Ms. Sweetie Sahrawat, ASP Patna Sadar, graced the occasion, making it a memorable celebration of gender equality and women's rights.
- On Antyodaya Diwas, celebrated to honor the birth anniversary of Pt. Deen Dayal Upadhyaya and promote his vision of uplifting the most marginalized, the Amity School of Civil Services, Amity University Patna, organized an outreach activity titled "Empowering the Marginalized: A Path to Inclusive Development." The event aimed to raise awareness on key social issues while engaging both students and the community. A *Nukad Natak* was performed by the students, focusing on the importance of girl child education and spreading awareness about the Sukanya Samriddhi Yojana, a government scheme promoting financial security for girls. As part of the outreach, *snacks and stationery items* were distributed to underprivileged children, encouraging education and well-being. A *painting competition* on Green Technology was also organized to foster creativity and environmental awareness among students, with prizes awarded to the winners to motivate and recognize their efforts.
- On the auspicious occasion of Basant Panchami, Wednesday, February 14, 2024, Amity College of Commerce and Finance hosted two significant events, each embodying our commitment to academic excellence and social responsibility.
- Amity School of Communication organised an awareness camp on the topic 'Good touch and Bad touch' on 22nd April 2024 for under privileged children under AmiCare Club. A team of students from Amity School of Communication together with Helping Hands Friends Charitable Trust organised this activity for the purpose of spreading awareness among children about the 'Good touch and the Bad touch' and later stationery items such as pencils, erasers, pens etc as well as refreshments were distributed.
- Amity School of Communication, in its continuous efforts to promote community engagement and social responsibility, organized an outreach activity titled Spreading Smiles under the IQAC initiative. The event, held on September 20, 2024, at Eco Park, Patna, featured a Pot Painting Competition for children from a local NGO. The primary objective was to provide these underprivileged children with an opportunity to express their creativity, while also fostering interaction between the students of B.A. (Journalism & Mass Communication) and the community.
