

Amity University is India's first private university to have set up fully functional campuses in 2 top Universities of China namely Nanjing University of Aeronautics & Astronautics (NUAA) & Beijing Institute of Technology (BIT). These 2 Universities are not only among the top Universities in China but are also amongst top 10 Universities in the entire Asia region in its specialities and are highly reputed universities across the world.

As a result of this partnerships/collaboration, students of Amity University will now have an opportunity to get into these Universities without any entrance/competitive examination & on successful completion of their programme\* get degrees of Amity University and the Chinese University (NUAA or BIT) as well. The duration of the programme remains the same for which the student has enrolled in India.

The following Dual Degrees are being offered at present:-

1. **Amity University & Nanjing University of Aeronautics & Astronautics**
  - a. B.Tech. CSE & Bachelor in Software Engineering & Management from NUAA
  - b. B.Tech AE & Bachelor in Aeronautical Engineering from NUAA
  - c. B.Tech Mechanical & Bachelor in Mechanical Engineering from NUAA
  - d. BBA & Bachelor in International Business from NUAA
  - e. BBA+MBA (Integrated Dual Degree Programme) & Bachelor in International Business from NUAA
  
2. **Amity University & Beijing Institute of Technology**
  - a. B.Tech AE & Bachelor of Aerospace- Flight Vehicle Design & Engg. from BIT
  - b. B. Tech ECE and Bachelor in Electronic Science and Technology from BIT
  - c. B. Tech Mechanical & Bachelor in Mechanical Engg. from BIT
  - d. BBA+MBA (Integrated Dual Degree Programme) & Bachelor in Management & Economics from BIT
  - e. MBA-G from Amity & MBA from BIT

Following is the eligibility criteria for the students of Amity University to opt for a dual degree programme:

1. Must be a full time student of Amity University
2. Must have not have any back papers
3. This option is at present for only 1st semester students of all the programmes mentioned above & 3rd semester students of Under-graduate programmes mentioned above

Interested Amity students may email their details to Ms. Balpreet Kaur in the Acting Vice Chancellor's Office at bkaur@amity.edu and copy to rkumar@china.amity.edu with a copy to their Hols/HoDs.

- 21. What about the safety of my ward in China?**  
**Answer:** Both the University campuses are very secure and outsiders cannot enter the campus without ID. There is a CCTV camera after every 100 meters in the campus buildings and dormitory, which keeps vigil 24X7. Students cannot leave the University without the written permission of the Students Coordinator. The Students Dormitory closes at 10:30 PM and every student attendance is taken by the warden. Students who do not come on time are warned twice and if they do it for the third time, their parents are informed. If they do it for the fourth time, they are expelled from the University Hostel accommodation.
- 22. Why are the Fee Structures different from the Fee Structures shown in the University website?**  
**Answer:** The fee structure of the Amity China Campus Programmes has nothing to do with the Chinese University's own student's fees structure as it is partly sponsored by the Government of China. Amity China campus offers only Engineering and Management Programmes completely taught in English.
