## **Student Learning Beyond Classroom**

Amity University Gurugram, Haryana believes that students should not be viewed only as receptacles of knowledge but as someone who can create her/his learning actively and uniquely. Each student fills his own Academic Planning Worksheet and vocational training as an open elective to choose from keeping their core area intact.

The AUG further provides students with high quality structured out of class learning opportunities, activities, programs and experiences that complement and align the academic curriculum stated goals and outcomes. Such co-curricular opportunities are an integral part of student's holistic education leading to talent and competency development.

These co – curricular and extra – curricular activities also play an integral part in allowing a switch over from absorption of information while learning during academic sessions and creating a safe space to relax, interact, collaborate, think out of the box, nurture their talent and leadership capability.

All students of AUG are given the opportunity to participate in co- curricular and extra - curricular activities through various clubs, committees, inter – institutional competitions and events.

AUG Campus provides equal opportunities to women students along with men. Women students are encouraged to participate in all academic, cultural and sports activities held within and outside the campus. Women students also are active members in conducting and participating in Sangathan, Amity Festival, International Yoga Day, International Women's Day and Mental Health Mela.

The University Clubs have been constituted for furthering students involvement in extra – curricular activities. It is guided by a DSW, Team DSW and faculty members. Students are encouraged to participate in competitions including AIU sports tournaments.
