बण्डीगढ़ - 160019
HARYANA RAJ BHAVAN,
CHANDIGARH - 160019

संदेश

यह अत्यन्त हर्ष का विषय है कि एमिटी विश्वविद्यालय, मानेसर (गुरुग्राम) 01 फरवरी 2020, को दीक्षांत समारोह का आयोजन कर रहा है। मुझे यह भी जानकर अपार हर्ष है कि इस शुभ अवसर पर विश्वविद्यालय द्वारा 'दीक्षांत पुस्तिका -2020' भी प्रकाशित की जा रही है।

यह गौरव की बात है कि एमिटी विश्वविद्यालय देश में एक प्रतिष्ठित शिक्षण संस्थान है और मुझे विश्वास है कि यह विश्वविद्यालय अपने विद्यार्थियों को हर क्षेत्र में सर्वोच्च यांत्रिकी कौशल एवं दक्षता प्रदान करता रहेगा।

पूरा देश एमिटी विश्वविद्यालय द्वारा दीक्षित समस्त छात्रों से आशान्वित है। मैं आशा करता हूँ कि आप सभी इस प्रतिष्ठित संस्थान के उत्थान के लिए सहयोग करते रहेंगे, जो हरियाणा ही नहीं अपितु सम्पूर्ण भारत के विकास में सहायक होगा।

मैं इस शुभ अवसर पर विश्वविद्यालय के अधिकारियों, प्राध्यापकों, दीक्षित छात्रों व उनके परिजनों को शुभकामनाएं प्रेषित करता हूँ और विश्वविद्यालय परिवार के उज्ज्वल भविष्य की कामना करता हूँ।

(सत्यदेव नारायण आर्य)

1. Dr. Raghunath Anant Mashelkar (Padma Vibhushan), Former Director-General, Council of Scientific and Industrial Research (CSIR) Recipient of Honoris Causa Doctorate of Science (D.Sc) Degree.
2. Shri Kumar Mangalam Birla, Chairman, Aditya Birla Group, Recipient of Honoris Causa Doctorate of Philosophy (D.Phil.) Degree
3. Padma shri Dr. Anvita Abbi, Adjunct Professor of Linguistics, Simon Fraser University, B.C. Vancouver, Canada & Former Chairperson, Centre of Linguistics and English, Jawaharlal Nehru University, Recipient of Honorary Professorship
4. Dr. V Nagaraja, President, Jawaharlal Nehru Centre for Advanced Scientific Research, JNCASR, Bangalore & Professor, Indian Institute of Science, Bangalore, Recipient of Honorary Professorship
5. Shri Amar Kumar Sundram, National Director- Legal (General Counsel) at Ernst & Young, Recipient of Honorary Professorship

Message from the Hon'ble Chief Minister of Haryana

It is a matter of immense pleasure that Amity University Haryana has completed another successful year in its endless pursuit of educational excellence and is organizing its 6th Convocation on February 01, 2020.

This day marks a culmination of the efforts of not just the students, but also of the entire teaching fraternity who have worked hard to make the students industry ready and responsible citizens of the Country. I congratulate all the students who are graduating this year.

I also congratulate Amity University Haryana on this great occasion and look forward for its significant contribution in further accelerating the pace of higher education in the State and Country.

I wish a bright future to all the graduates.

Manohar Lal
Chief Minister of Haryana

Message from the Founder President

It is my obsession, junoon and one of the missions of my life that the potential of each one of my student and alumni develop to the fullest. It is always my continuous endeavour to look for new findings, gather experiences and do research to fulfill my above dream.

My dear alumni, I wish to share with you, that if I have achieved any success in my professional career, entrepreneurial career and personal life, it is all because of my uncompromising urge to attain the highest success in whatever I pursue.

You, my dear alumni, have been my students for many years, have taken breath in an environment, in the air, which has given you the utmost urge to have distinguished identity in your professional/entrepreneurial and personal career.

It is very easy to reach the pinnacle of success – for that, you have to dream big, dream with open eyes and make a roadmap to reach such great heights. That is all. But one thing, while pursuing your mission and goal, you should not defer from your path, no matter, whatever challenges, adversities and difficulties come in your way.

I am confident that having the genes of your worthy grand – parents and parents and other noble senior blood relations and having inherited their values and sanskars and this coupled with education at Amity, where the power of Brahmastra “Behavioural Science” has been instilled in you, I am sure each one of my alumni would make a success story and thus, would become pride for their family, for Amity and for the whole nation and would contribute tremendously in making India a Superpower.

My Blessings would always remain with you and your family.

Dr. Ashok K. Chauhan
Founder President,
Ritand Balved Education Foundation (RBEF)
(The Foundation of Amity Institutions and the
sponsoring body of Amity Universities)

Message from the Chancellor

Today is a momentous occasion in your career and your lives. I congratulate each of our Graduands for the success they have achieved during their studies at the Amity University Haryana.

It is the moment to celebrate and honour your hard work and along with that, honour those people who have nurtured you throughout these years to make sure that you achieve this milestone. I take extreme pleasure in congratulating you and your family on this grand occasion. It is the sacrifice and the never-ending support of your parents that has enabled you to become what you are today. I feel great satisfaction when I see the diverse and successful paths all of you have chosen.

My appreciation to all faculty and staff members of Amity University Haryana for showing faith in you throughout your journey, and for doing their best to facilitate your smooth transition from a student to a true professional. I am confident that the values imbibed in you here at Amity shall always give you strength to face challenges as you progress.

Irrespective of what pursuits you have chosen for your future, I urge you all to recognize your mission in life and follow it with utmost passion and integrity. Always remember that you can never be pinned down by your failures. In fact, failures make you stronger. However circuitous the path may seem, always remain focused with discipline. Be humble and always be receptive to learn something new. Make excellence a part of your everyday life and success will follow. Also, it is very important to become the torchbearers of knowledge, especially for those who do not have access to it. Because gaining knowledge is a step towards wisdom but sharing knowledge is the step towards humanity. I urge you all to harness the power of the knowledge that you have gained in the past few years at Amity to contribute positively to the society and the country at large.

At Amity, we believe in relationships that are ever-lasting. As you become the Alumni of Amity University Haryana, we will look forward for you to come and share your success stories and accomplishments in the years to come.

I once again congratulate you and your parents and hope that each one of you will have a sense of accomplishment when you look back at your time spent at Amity University Haryana.

Dr. Aseem K. Chauhan
Chancellor, Amity University

Message from the Vice Chancellor

It is with great pleasure that I welcome the young Graduands and proud parents at the 6th Convocation ceremony of Amity University Haryana (AUH).

As you all are aware, Amity University has earned the reputation of being a front runner amongst the research and innovation driven universities in India. The university is ceaselessly engaged in delivering world class education and research programmes to students, under the visionary guidance of our Founder President, Dr. Ashok K. Chauhan. It is also indeed a matter of immense pride that Amity University not only regularly figures as one of the top private universities in India but is also a well-known brand in the field of education globally.

Amity University Haryana, under the dynamic leadership of our Hon'ble Chancellor, Dr Aseem Chauhan, during a short span of 10 years, AUH has emerged as a cradle of academic and research excellence. The university campus has also received the coveted Platinum Category LEED certification from US Green Building Council in 2017. Our 110 acres lush green campus is a landmark of sustainability and offers unique opportunity to Live and Learn in Harmony with Nature.

At AUH we are firmly committed to relentless pursuit of excellence at all levels of our activities, education, research, innovations, new product development, student start-ups, organizational effectiveness, service to the society and providing a formidable support to the Government policies and technology missions towards realization of our dream of a developed and prosperous India.

Young Graduands, you being the professionals of the new knowledge age, are equipped with the capabilities of creating a better and brighter tomorrow. Let you excel in your chosen fields of endeavor and bring glory to your parents and to your Alma – Mater.

Prof. P. B. Sharma
PhD (Birmingham) FIE, FAeroS, FWAPS
Vice Chancellor
Amity University Haryana

Message from the Deputy Vice Chancellor

We are immensely delighted to have our young and proud graduands back on the Campus for 'Celebration of success'. This day also represents the culmination of years of painstaking work and dedication to achieving Academic Excellence. It holds a special niche for each and every one of us – truly, a momentous event.

As you embark on your life's journey, always remember the core philosophy of Amity University Haryana i.e. achieving excellence through Innovation, Industry Integration and Internationalisation. You have been empowered with the best of knowledge and have imbibed the values of Amity. You are destined to excel. You must exhibit an unending commitment to your work activity and achieve perfection in whatever path you have chosen. Now is the time to put into practice what you have learnt during your stay with us.

Reaching the pinnacle of success is possible if you have clarity of mind and the capability to dream big and carve out an achievable roadmap. For this, come what may, boldly face the challenges, adversities and obstacles which come in your way. You have played an important role in the growth of the University and can be justifiably proud of your contribution towards its current exalted status. You are our ambassadors in the world outside and we share an unending umbilical bond with you which can only strengthen with passage of time. As you ascend and progress through your chosen fields, remember, Once an Amitian, always an Amitian.

I wish you a bright and prosperous future.

Maj Gen B.S. Suhag (Retd.)
Dy. Vice Chancellor
Amity University Haryana

Message from the Pro Vice Chancellor

Congratulations for your brilliant and well deserved success on completion of your graduation at Amity University Haryana. The values that you imbibed at Amity will continue to be your guiding light and will enrich your lives along with the millions of lives you touch during your pursuits of achieving excellence on the career path you choose. I wish and hope that you exhibit exceptional leadership qualities and carve a niche for yourself in today's highly competitive times.

As you start another journey towards attaining a successful career, you will be the student ambassador of Amity's core philosophy, which is to achieve excellence through innovation, industry integration and internationalization. This will pave a way for a cosmopolitan vision which will assist you to live and work meaningfully in a complex yet connected world. Apart from that, I sincerely wish that you will contribute towards a better society with your benevolent and progressive thoughts.

Your attitude will play an important role in your march towards success. Cultivate a spirit of optimism coupled with humility and compassion. Your pride in your alma mater would be your source of inspiration and your constant support during the challenging path to success. I hope that you will always harbor a special place for your alma mater in your heart and continue to feel responsible for its glory.

It is with immense pleasure and pride I wish you tremendous success in all your future goals.

Warm regards

Dr. (Prof.) Padmakali Banerjee
Pro Vice Chancellor
Dean - Academics
Amity University Haryana

Vice Chancellor's Report

Our most Distinguished Guests of Honour on the dais Chief Guest Hon'ble Mr Justice Dipak Misra, Former Chief Justice of India, Shri Girish Agarwal, MD, Dainik Bhaskar Group, Hon'ble Founder President Dr Ashok K Chauhan Sahab, Hon'ble Chairperson Dr Amita Chauhan ji, Hon'ble Chancellor Amity University Uttar Pradesh (AUUP) Dr Atul Chauhan ji, Hon'ble Chancellor Amity University Haryana (AUG) Dr Aseem Chauhan ji, His Excellency the Ambassadors, Hon'ble Group Vice Chancellor Dr Gurinder Singh, President of Amity Science, Technology and Innovation Foundation Dr W Selvamurthy, Trustees of the RBEF, Learned Vice Chancellors of Amity Universities, Hon'ble Members of the Governing Council, Members of the Board of Management, Members of the Academic Council, Invited Guests, young Graduands, Proud Parents, members of the Press and Media, Ladies and Gentlemen.

May I on behalf of the entire Amity University Haryana fraternity extend a very warm welcome to you on the auspicious occasion of the 6th Convocation of our prestigious University.

Honoured luminaries on the dais, your presence at today's auspicious function is a matter of great inspiration for our young Graduands, inspired student community, talented faculty and each one of us to dedicate ourselves to the cause of world class education, society and industry relevant research and innovations, pursued in a world class university campus like that of Amity University Haryana, to enable India to attain the status of a Global Knowledge Super Power, a dream which our Founder President Dr. Ashok K Chauhan ji had while founding the great Amity Education Group.

Ladies and gentlemen, we are immensely delighted to have our Founder President Dr. Ashok K Chauhan, a visionary educationist and technologist, who holds the interest of India close to his heart and whose eyes are always focused on world quality benchmarks for education, research and innovations, for presiding over today's convocation. Hon'ble Founder President, today the whole world is proud of Amity Universities and of the achievements they have made in a short span of less than 20 years in the field of research and innovations and its global eminent presence in USA, UK, Europe, Singapore, China, Romania, Kenya, South Africa, UAE and Mauritius.

We feel highly privileged to have you and Madam Chairperson along with the trustees of RBEF and the illustrious Chauhan family here with us on this auspicious occasion, when we are conferring the degrees, honours and awards on the young Graduands who earned their degrees from our prestigious University in 2019.

We are also immensely delighted to have Hon'ble Chancellor of Amity University Uttar Pradesh Dr Atul Chauhan and our Hon'ble Chancellor of AUH, Dr Aseem Chauhan with us on this momentous occasion.

Young Graduands, you must be highly excited today as it is the most momentous and memorable day in your life when you have returned to your Alma Mater to receive your degrees, medals and awards in the presence of such illustrious luminaries present on the dais at today's Convocation. **I wish to congratulate you and your proud parents for giving us the privilege to prepare you for life and for joining us today when we "Celebrate your march on your Path to Excellence", rejoice our achievements and commit ourselves for achieving added glory and honour to your alma-mater, namely, the Amity University Haryana.**

We feel truly delighted to have you all in our magnificent lush green campus, surrounded by the foothills of Aravali, which has rich biodiversity, flora and fauna that makes a variety of butterfly to make their habitat in our campus, inspires the dancing peacocks to celebrate the joy of living in the divine presence of holy cows in the campus. Let you breathe the fresh air and enjoy the bliss of Mother Nature and take further inspiration from the 5000 years old Knowledge Tree in our campus near the main gate on your **Deekshant Samaroh** and also get further blessed by your teachers, your Gurus and the luminaries presents today.

I must add that in a short span of 10 years this university campus has emerged as a hub of immense creativity, hub of high end R & D in areas like Big-Data and AI, Machine Learning and IoT, Life Science, Bio-Technology, Bio-Medical

Engineering, Nano-Science and Technology, Water Technology and Air Pollution Mitigation and Control and a crusader of sustainability, that has earned for our young university the honour of being a Platinum Category LEED Certified campus by the US GBC. Ladies and Gentlemen Amity University Gurugram campus is truly an "inspiration to live and learn in harmony with nature" and engage in relentless pursuit of Innovation and Creativity for supporting the march of our Nation to the pathways of transformation and development.

Ladies and Gentlemen, we at Amity University are committed to transform our students into outstanding human beings, responsible citizens and competent professionals of the new knowledge age that is driven by mind boggling advancement of science & technology and innovations in plenty. We are moving on the path of excellence with a vision "To be a hub of creativity and innovation and to contribute to the progress of humanity through excellence in education and industry and society relevant research and development". Our mission includes, nurturing academic and research excellence, fostering academic innovations to create an environment of student centric learning, engage our students in creative research and innovations and promoting growth of the university with global quality standards. To this end we have strengthened our research infrastructure and established a strong connect with industry and collaborative ties with leading world class universities.

I must also emphasize that for us here at Amity, integration of education with values is the core of our education philosophy as we firmly believe that ultimately what matters is not just what you are capable of, but your attitude and what you aspire to give to the society by your dedicated service and the integrity and sincerity of your commitment. I am sure you, the young Graduands present here at today's convocation have imbibed this value system and that you, by your good deeds and service to humanity, shall add to the pride of your alma mater and bring glory to Mother India.

I am happy to add that at today's Convocation 1607 degrees comprising of 1126 UG, 469 PG, 12 Integrated (Dual Degree) and 28 PhDs degrees are being conferred on the candidates who have successfully completed their academic requirements as per the regulations of our university.

AUH – A Cradle of Research and Innovation Excellence:

Hon'ble Chancellor, here at AUG under your mentorship, we are committed to excel in our educational, research and innovation goals and in the mission of national and global eminence. Our eyes are well set on nurturing a culture of innovation, making innovation a habit, contribute to solution research for the industry and society, provide an education and research environment to empower our graduates and scholars with the **"Capabilities to Challenge the State of Art and Contribute to Advancement of Humanity on the Pathways of Progress, Prosperity and Happiness"** so that we succeed in taking the flights of success and contribute to the prosperity and well being of the vast humanity.

Towards this end, Ladies and Gentlemen, I am happy to say that at Amity University Haryana, we pursue innovations with a passion, support our inspired students in their innovative project work, encourage teamwork and diversity of talent as it creates diversity of perspectives and problem solving approaches that result in accelerated innovation that marks the success stories of the university community of students and faculty.

The pursuit of research excellence is being given utmost priority at Amity University Haryana. Consequently, a number of Research Clusters have been established at the university. These cover areas of high national importance such as Nano Science and Technology, Robotics and Artificial Intelligence, Environmental Sciences and Health, Stem Cell Therapy, Big Data & Cyber Security, Bio-Energy & Bio-Fuels Advanced Research and Innovation in Structural Biology and Polymer Science & Technology.

I am truly delighted to report that we have been successful in attracting extra mural funding from DST, DBT, ICMR Ministry of Health, Ayush, Bhava Atomic Research Centre, BARC and ISRO etc and as such approximately the funded R&D at AUH stands today at Rs 30 Cr and is growing.

I am indeed delighted that during the last two years there seems to be an upsurge in the growth of innovative projects undertaken by the students and the faculty at our university.

I am delighted to mention that considering the importance of high end instrumentation for multi-disciplinary R & D at AUH, a high end multi-user facility, Central Instrument Research Facility (CIRF) has been established to facilitate interdisciplinary research among various Science and Technology departments. This world class CIRF facility was inaugurated by Hon'ble Founder President on Innovation Day, 28th September, 2019. This facility is equipped with a number of high end instruments that includes Confocal Microscope, Flow Cytometer, Spectrophotometer, Spectrofluorometer, FT-IR, Ultracentrifuge, UPLC etc.

In addition, we have established a highly advanced research facilities under the leadership of Prof (Dr) Rajendra Prasad, Director Amity Institute of Biotechnology (AIB). A world-class Amity Lipidomics Research Facility (ALRF) has been established under the core funding of 1.65 Cr under FIST program of Department of Science and Technology. This Lipidomics facility is focused on development of application on lipidomics, proteomics and metabolomics tools for diagnostic and treatment in healthcare sciences. It is a step towards our continuous efforts to boost research and innovation at AUH.

I am also immensely happy to add that AUH within a span of two years has bagged another mega funding under DST-FIST programme of 84 Lacs wherein Amity School of Applied Sciences (ASAS) has been awarded high-end instruments like Zeta Sizer for Dynamic Light Scattering (DLS) and Differential Thermal Analyzer (DTA) to work on "Nanotechnology for Healthcare and Environment - Exploring New Horizons". Under this project, researchers of ASAS will focus on applications of novel nano-materials particularly in the field of healthcare and environment with specific emphasis on Drug delivery, Anti-microbial property and cytotoxicity, Biosensors, Energy storage, Water purification and Computer simulation/analysis.

Further, a world class research cluster laboratory "BIONNOVA Research Labs" has been also been developed at AUH and was inaugurated by our Hon'able Founder President Dr. Ashok Chauhan ji on the Innovation Day, 28th September 2018. At present, the focus of Bionnova is to engage teams of scientists and research scholars in the pathbreaking research in areas like Tuberculosis, Molecular Diagnostics, Multi Drug Resistance, Cancer, Genomics and Nano-biotechnology.

I am also happy to add that Amity Institute of Biotechnology has developed international research and students exchange network with Gdansk University of Technology, Gdansk, Poland; Membrane Proteins Lab, CNRS, Lyon, France, University of Aberdeen, Scotland and Moscow University, Russian Federation. Under these collaborations, students and faculty members from respective countries are regularly visiting each other's laboratories to carry out collaborative work.

I am also delighted to report that Amity Institute of Biotechnology has established a "GE HEALTH CARE Centre of Excellence" under the joint partnership of GE Healthcare and AUH. This industry integrated centre of excellence shall support Genomics and Proteomics research and shall provide exposure to latest technology with hands on training to students thus making them industry ready for new super specialities in health care.

I am also delighted to mention that we have entered into a MoU with Gennova Biopharma for new product development and new drug design and drug delivery systems. I am delighted to mention that Dr Sanjay Singh CEO of Gennova Biopharma is with us on the Dias as our Honoured Guest to bless the young Graduands.

I am delighted to report that with a view to accelerate drug design and drug discovery in the area of Ayurvedic Pharmacy, 10 patents have been filed by our AIP that include 2 patents by Dr Saurabh Bhatia, Associate Professor in AIP on Herbal Medicines from Gular for regeneration of infected Liver and Akara Leafs extract for migraine control. I am also delighted to mention that the Amity Centre of Meditonal and Herbal Plant Research that was established a year ago at the time of inauguration of AYUSH Hearbal Garden at AUG has begun to take path breaking strides into herbal and meditonal plant research that we all need to rediscover the rich wealth of Ayurveda for the well being of the humanity.

I am also delighted to mention that, recognising the increasing importance of Air Quality and its impact on human health, we at Amity University Gurugram under the visionary leadership of our Hon'ble Chancellor have established a Consortium for Air Pollution Control with the goal of Clean Air for all. Our Amity Centre for Air Pollution Control together with the Consortium shall act as a major think tank for policy initiatives and strategic actions for strengthening the National Clean air Program of our Nation.

With a view to join the global initiatives to improve indoor air quality we at AUH, jointly with IIT Delhi (Dr. Mukesh Khare) and Ramboll of USA have recently taken up a major exercise of indoor air quality monitoring to evolve guide lines for improving human health. We are also working with Dr Khare and his team at IIT Delhi to develop an Air Pollution Forecasting Model that along with the large data analytics and AI shall forewarn airpollution and suggest strategic directions for its mitigation to avoid its occurrence.

I am delighted to report that the air quality in our campus is at least 3 times better than in the NCT of Delhi and at least twice better than the millennium city of Gurugram. I am also happy to add that we are a water sustainable campus in Amity University Gurugram and that we have in place extensive water harvesting system and waste water treatment, recycling and reuse system that has earned a high repute for our AUH campus in respect of sustainability and green campus design.

We are also deeply committed to create a new wave of cutting edge research in the frontal areas of Nano Science and technology. Recognising the immense potential of nano-particles for waste water treatment our nano science and technology research group under the leadership of Dr Atul Thakur have taken up an impact Project to establish a Nano Particle based Waste Water Treatment plant at Village Bilaspur that shall rejuvenate the village pond and pave the way for restoration of water bodies in the state of Haryana. This project is sponsored at AUH by GuruJal Scheme by District Administration of Gurugram, Government of Haryana.

I am also delighted to mention that with a view to strengthen our nation's resolve to enhance interest in our mother language Sanskrit, we have established a "Centre of Excellence in Sanskrit and Indic Studies". An international Conference on Relevance of Ramayana in the modern age was organised in November 2019 at AUH at which experts from Thailand, Indonesia, Bali, Srilanka and Malayasia shared the impact that Ramayana had on their cultural heritage. Our school of liberal arts has undertaken a consortium project with the universities in Europe to study the impact of diversity of languages on culture and to preserve some of the languages that are becoming obscure.

Our school of Engineering, ASET has taken major strides in the area of Robotics and Automation, Artificial Intelligence, Big Data analytics, Machine Learning, IoT and Cyber Security. Some of the prominent AUH innovative projects on display are:

- **Ayurvedic Biotechnology based** Gullar tree milk pellets for liver regeneration and AKARA flowers extract for chronic asthma and migraine treatment. The patents for both have since been filed by Dr Saurabh Bhatia and his team of inventors.
- **Nano structured Aluminium** material for bullet proof jackets and bullet proof glass, Patent for the same has been filed by Dr Sanjeev Sharma, Associate Professor Mechanical Engineering.
- **Considering the importance of a charging free battery for Electric Vehicles of Tomorrow, Dr Atul Thakur, Director of AINT and his team of inventors have developed a Ferrite and Water based Hydro-Electric Cell that is capable of making a 12V Charge free Battery for EVs. A patent for this invention has already been filed by Dr Atul Thakur and his team of inventors.**
- **Centre for Nano Technology has developed Nano Biosensor to detect chronic diseases** (Scrub typhur, Leprospicosis, Rheumatic Heart Disease) etc, The Patent for the same has been filed by Dr Ankur Kaushal, AIINT

- Stem Cell institute has developed nano particles using cucumber extract to prepare skin cream providing UV protection and skin rejuvenation. The patent for the same has been filed by Dr Arvind Chhabra and his team of inventors.
- **Development of FET based Biosensor for detection of infectious diseases**, A nonomission project by Dr Ranjita Ghosh of AIB.
- **Piezoelectric and Triboelectric nano-electric generators** have been developed by Dr. Brijesh Kumar, Professor of AINT. These devices are being used for self-powered electronics and have potential to be used in electronic- skin, Artificial Intelligence which can detect even minute movement of human activities including movement of human eyes and fingers.
- **A antifungal, antimicrobial, anti-mycotic fabric with self cleaning properties using Fe₂O₃ and TiO₂ based hybrid nanoparticles coating has been developed at AUH by a team of Innovators led by Dr Arvind Chhabra, Dr Monika Vats and Dr Jyotsna Sharma. The patent for the same has also been filed. This invention has a great significance as it decodes the secret of the antimicrobial, antifungal dress having self cleaning properties that was presented to Goddess Sita by Vedic Sage Anusuya at Chitrakoot as per the Ramacharit Manas.**
- **A Portable electrochemical system for early and quick detection of disease using modified screen printed electrodes.** (using swab/blood samples) is also developed by Dr. Atul Thakur, Director AINT.
- **Display of polycrystalline diamonds films coated on different materials and lithium ion cells**, is also arranged by Dr. Atul Thakur, Director AINT
- **Porous concrete pavement has been developed by** Mr. Lalit, Mr. Sambhab and Dr. Ashish Kumar Dash of Civil Engineering
- **Conversion of Waste Plastics into Liquid fuel Using Thermo-catalytic Pyrolysis Process for effective plastic waste management has been developed** by Mr Nitish Nanda and Shivam of B. Tech ME
- **Hot and Cold Therapeutic Device** has been developed by Mr Hemant BTech Mech Eng.
- **A Lab View Based ECG Machine** has been developed by Mr Revanth and Yaswanth of B.Tech (ECE)
- **A Fire Detection and Extinguishing Robot** has been developed by Mr Babar BTech(ME), Piyush (CSE) and Nikhil (CSE)
- **A Stair Climbing Robot** has been developed by Pawan Yadav (CSE), Deepanshu (ME), Hemant (CSE) and Aditya Vishwakarma (CSE)
- **Innovative models and designs for sustainable green buildings have been developed by students of ASAP.**

These and many more of our innovative projects are on display in our Innovation galleries in the Academic Blocks C & D. I invite you all to visit our innovation galleries and motivate our young innovators.

I am also delighted to mention that at AUH we had the privilege of organising AIU North Zone ANVESAN 2020 on 16th and 17th January, 2020 at which 60 research and innovation teams from various universities participated with their research and innovation exhibits. I am happy to report that the team of researchers from ASLA, Mr Rangaswami and Ms Swati won the First Prize for their innovative project on Vulnerability in slums- A study of Health Education and Nutrition in Slums Children of Delhi.

Nurturing Academic Excellence:

Ladies & gentlemen, the Amity University Haryana in a short span of just over 9 years has achieved a highly impressive growth and has made a highly impressive progress in various fields. Today we offer over 100 UG & PG academic programmes in 17 of our institutions in the campus that cover a wider canvas of academic and research activities in areas such as Applied Sciences, Engineering & Technology, Pharmacy, Management, Behavioural Sciences, Clinical Psychology, Nursing, Food & Nutrition, Medical Sciences, Fine Arts, Architecture & Planning and specialities such as Robotics, Nanoscience & Technology, New and Smart Materials, Structural Biology, Stem Cell Science and Engineering, Molecular Medicine, Vision Science & Engineering (Optometry), Audiology and Laser Science & Technology to name a few.

At AUH we are firmly committed to the relentless pursuit of excellence at all levels of our activities like education, research, innovations, new product development, student start-ups, organizational effectiveness, service to the society and providing a formidable support to the Government policies and technology missions towards realization of our dream of a developed and prosperous India inhabited by enlightened and capable people, empowered with the rich wealth of knowledge and power of innovation to cause scientific and technological breakthroughs to make impossible possible and serve humanity with aatmiyata and devotion.

Here at Amity University Haryana, we are engaged seriously in integration of education with human values, in pursuit of interdisciplinary and translational research and nurturing innovations in an environment of "learning and living in harmony with nature". The hills of Aravali surrounding the lush green AUH campus, the herbal garden, the dancing peacocks and the presence of holy cows in the campus confer a unique distinction on this university which inspires us to manifest the divinity within into abundance of creativity, innovativeness and nobility.

Industry integration, internationalization, diversity of the student body, academic flexibility, emphasis on industry relevant research, high impact publications and patenting of innovations have become the hallmark of Amity University Haryana striving towards "innovation driven excellence".

IT Enabled Learning Environment:

At AUH we are committed to foster an ICT enabled environment of teaching and learning in our class rooms as also to network with the national mission on ICT assisted learning. I am happy to inform **Amity University Haryana is the remote centre of IIT Bombay and IIT Kharagpur for the different activities to be organized under the project NMEICT (National Mission on Higher Education through Information and Communication Technology (ICT)).** NMEICT is the sponsored project initiated by Department of Higher Education, Ministry of Human Resource Development, Government of India, to leverage the potential of ICT in providing high quality personalized and interactive knowledge modules over internet. Under this national mission, IIT Bombay and IIT Kharagpur organize workshops, competitions, and offer blended MOOC courses from time to time. The students are evaluated jointly by faculty of AUH and IIT Bombay at the end of the semester.

Further, under the capacity development programme funded by European Union, AUH has conducted two FDPs under CABICIN project. A large number of faculty members from Amity University, YMCA University of Science & Technology, Faridabad and Regional College for Technical Education Research and Technology Jaipur attended the FDPs.

AUH Entrepreneurship and Skill Development Initiatives:

Year 2018-19 was a momentous year for Amity University Haryana as we were able to join the **PM Yuva Entrepreneurship Mission** and also organised a number of Innovation Incubation workshops and meetings with the successful entrepreneurs. I am happy to report that based on the success registered by AUH in the area of Entrepreneurship Development, the **Ministry of Electronics & Information Technology** has awarded to AUH a major project for a funding of Rs1.71 Crores to promote new product development, Start-ups and Technology Transfer.

The objective of above scheme is to promote tech entrepreneurship through financial and technical support to incubators engaged in supporting ICT Startups using emerging technologies such as IoT, AI, Block-Chain, Robotics etc, in pre-identified areas of social relevance. The Scheme will be implemented through empowering 51 incubators in India and handholding close to 2000 tech start-ups over a period of 5 years. The scheme envisions creating a holistic ecosystem to support technology startups and incubation centers through identifying and creating necessary linkages

Skill Tracks as Open Electives:

As open electives in the flexi credit system, two skill tracks were added in Apparel and Hospitality, which got tremendous response from the students. These programmes come with an added advantage of assessment and certification from Government of India.

Patents and Copyrights:

I am happy to report that the AUH patent coordinator Dr. Arvind Chhabra and the Patents Cell Team have produced remarkable results in bringing AUH patent filings from 37 to 118 within few months. While this is a significant achievement, the AUH Patent Cell and the AUH is now gearing up to translate these innovations into commercial products. Furthermore, with ample sensitization of the AUH faculty to IPR rights, we have now set our sights on reaching 201 Patents mark by July 2020. Some of the prominent patents filed at AUH are:

- **Dr Sanjeev Sharma and Prof PB Sharma**, "Development of multi layered bulk nano-structured material for batteries electrodes", 2019
- **Dr Preeti Thakur and Dr Atul Thakur, Parul Sharma (ISRSK, Shimla) and Monica Sharma**, "Synthesis of nanoparticles of cobalt and nickel ferrite showing antifungal effect against phytopathogenic fungi", 2019
- **Dr Arvind Chhabra, Dr Atul Thakur, Dr Satish Sardana and Dr Monika Vats**, "Biodegradable tape".
- **Dr Gargi Bagchi, Dr Julie Pratibha Singh and Dr Ravi Datta Sharma**, "A method for identification of GPR56 as a receptor for androgen signalling", 2019
- **Dr Prabhu Prasad Das, Dr Padmakali Banerjee, Dr Manish Shandilya, Kalpana Garsa and Neenu Yadav**, "A System and Method for Estimating Black Carbon (BC) Concentration in Surrounding Air", 2019
- **Dr Arvind Chhabra, Dr Burra VLS Prasad and Dr Naresh Mohan Chaddha**, "A System and Method for Prediction of The Quality of Effector Function Generation in Human T Cell Receptor Engineered Anti-Tumor T Cells", 2019
- **Dr C M Srivastava, Dr Anek Pal Gupta, Dr Seema R Pathak, Aarambh Verma and Pooja Basu**, "Hybrid Hydrogel Grafted Wood Husk for Removal and Degradation of Dye From Water Effluents", 2019.
- **Dr Sanjeev Sharma and Prof P B Sharma**, "Development of Graphene and or Carbyne based super strong nanocomposite material for ballestic applications", 2019
- **Dr Saurabh Bhatia, Prof PB Sharma, Dr Seema R Pathak, Dr Viveak Ballyan and Sandeep Singh**, "A system and method to improve the shelf life of freeze dried alkali treated calotropis Gigantea milk", 2019
- **Dr Deepa Suhag, Alpana Sharma (AIIMS), T. R. Santosh Kumar(RGCB) and Swati Kaushik**, "Hybrid Hydrogels as Extra-Cellular Matrix Bio-Mimics for Cruelty free High Throughput Anti-Cancer Drug Screening", 2019.
- **Dr Monika Vats, Dr Arvind Chhabra, Dr Jyotsna Sharma, CM Srivastava and Dr SK Sharma**, "Fabric with Self Cleaning Property", 2019.

- **Dr Samridhi Lal and Dr Satish Sardana**, Water Purification using Biodegradable Substances, 2019.
- **Dr Vinod Kumar, Dr Ashish Kumar and Dr Arun Kumar**, Automated Chimney Fire Extinguisher, 2019

Sponsored Research and Development:

On the Sponsored Research and Development front, I am delighted to report that during 2019 the following high value and high impact projects have been sanctioned for our university:

- **Dr Vikas Madhukar**, "Setting up of Technology Incubation & Development of Entrepreneurs (TIDE 2.0) Incubation Centre under **Ministry of Electronics & Information Technology, for Rs 1.71 Crores**
- **Dr Rajendra Prasad** "Study of in-depth genetic heterogeneity with respect to resistome and compensatory adaption of MDR Mtb clinical strains inside BM- Mesenchymal stem cells circulating in the North-East Region" by DBT, Sanctioned Amount: Rs 54.36 Lacs.
- **Dr. Alok Srivastava** "Identify Disease gene association using Google's Tensor Flow" by ICMR, Sanctioned Amount: Rs 33.06 Lacs.
- **Dr. Amit Kumar Pandey** "Identifying the role of P53 regulated long non-coding RNAs (LncRNAs) by Crispr/Cas9 in ovarian cancer" by ICMR, Sanctioned Amount: Rs 29.92 Lacs.
- **Dr. Amit Kumar Pandey** "Understanding Wnt Pathway and LncRNAs interaction for the identification of novel therapeutic targets in triple-negative breast cancers" by DST, Sanctioned Amount: 51.63 Lacs.
- **Dr. Atanu Banerjee** "Mitigating the impact of antifungal resistance in the emerging pathogen candida auris by piggybacking its peptide permease as an antifungal delivery system" by SERB, Sanctioned Amount: Rs 32.32 Lacs.
- **Dr. Ranjita Ghosh Moulick** "Fabrication of the portable low cost point-of-care optical device for the screening of thalassemic carrier" funded by DST, Sanctioned Amount: Rs 24.19 Lacs.
- **Dr. Amit Kumar Pandey** "Unraveling the molecular mechanism of lncRNAs involvement in Glioblastoma" by DST-RSF, Sanctioned Amount: Rs 71.74 Lacs.
- **Dr. Sumistha Das & Dr. Nitai Debnath** "A nanobionic approach for enhancement of plant photosynthesis and growth by augmenting chloroplast mediated photon absorption" funded by DST-Nanomission, Sanctioned Amount: Rs 45.50 Lacs.
- **Dr. Ankur Kaushal** "DNA biosensor for the diagnosis of Leptospirosis" by ICMR, Sanctioned Amount: Rs 12.39 Lacs.
- **Prof. Udaya Narayana Singh** "मैथली भाषा का इतिहास" funded by मैथली-भोजपुरी अकादमी, दिल्ली, Sanctioned Amount: Rs 75000
- **Dr. Kaustav Bandyopadhyay** "Experimental validation of pre-identified candidate genes regulating protein storage in chickpea seeds" by SERB, Sanctioned Amount: Rs 31.99 Lacs.
- **Dr. Gargi Bagchi Bhattacharjee** "Developing small molecule inhibitors to target non-genomic androgen signaling and elucidating the role of GPR56 in Prostate Cancer" by DST-SERB, Sanctioned Amount: Rs 59.00 Lacs.
- **Dr. Ankur Kaushal** "Electrochemical DNA sensor for the diagnosis of Scrub Typhus" by DST, SYST, Sanctioned Amount: Rs 18.69 Lacs.

- **Dr. Vimal Kishore** "Empowerment and Equity Opportunities for Excellence in Science" funded by SERB, Sanctioned Amount: Rs22.00 Lacs.
- **Dr. Atanu Banerjee** "Insights into the efflux pump arsenal of the emerging pathogen *C.auris* and implication in high order of resistance and virulence" funded by DBT, Sanctioned Amount: Rs 50.00 Lacs
- **Dr Santosh K Gupta** "One Asia Foundation" funded by One Asia Foundation, Japan, Sanctioned Amount: US \$ 20000.

High Impact Research Publications:

I am also delighted to report that during the year 2019, 525 research papers have been published by AUH faculty in International Journals of repute. Further, 100 research papers have also been presented in national and international conferences.

I am happy to share that a recent publication of Dr Ujjaini Dasgupta of our AIISH on "A localized chimeric hydrogel therapy targets tumor microenvironment through alteration of sphingolipid metabolism" has been published in high impact factor 12.8 ACS Central Science in November 2019. This paper has been selected for the prestigious Glycolipid and Sphingolipid Biology, Gordon Research Conference (GRC) being held in Lucca (Barga), Italy from 22nd to 27th March, 2020.

I am also happy to report that a High Impact research paper by **Dr Gargi Bagchi and PhD Scholar Ms Manisha Dagar** on "Phosphorylation of HSP90 by protein kinase A is essential for the nuclear translocation of androgen receptor" has been selected as JBC Editor's Pick and is recognised in Top 5 Papers from 7000 research papers from all over the world. I am also delighted to report that our PhD scholar **Ms Manisha Dagar** also got selected as a recipient of the **Herbert Tabor Award** for 2020 by ASBMB. She will be receiving this award at San Diego in March, 2020.

I am also happy to report that 4 of our Masters students of Applied Sciences, Mr Rakesh Kumar, Mr Amit, Mr Varun Sharma and Ms Anjali Thakran have been selected for PhD with full scholarship support at National Sunyet-Sen University Taiwan. Dr Jyotsna Sharma Associate Professor of Applied Physics at ASAS has also been appointed as a Joint Supervisor for PhD supervision at this university.

Other high impact research publications include:

- **Dr. K. Balanaga Gurunathan**, ABS "Fund Manager's Performance in Equity Linked Savings Schemes in" International Journal of Scientific Research and Reviews, **Impact Factor 6.96**
- **Dr Vani Aggarwal**, ABS "Employment in the Health care Sector of India" in think India Journal (UGC Care listed), **Impact Factor 6.2**
- **Dr. Monu Verma**, ASAS, 'Low-temperature catalyst based Hydrothermal liquefaction of harmful Macroalgal blooms and aqueous phase nutrient recycling by microalgae' Scientific Reports, 9(1), 11384, 2019, **Impact Factor- 5.578**
- **Dr. Vivek Manyapu**, ASEES, 'Corrigendum to "Synergistic effect of fly ash in in-vessel composting of biomass and kitchen waste" [Bioresour. Technol. 251 (2018) 114–120](S0960852417321740)(10.1016/j. biortech. 2017.12.039)' Bioresource Technology, 277, 2019, **Impact Factor- 5.807**
- **Dr.K. Balanaga Gurunathan**, ABS "Persistence of Small Equity mutual funds in India" in International Journal of Research and Analytical Reviews (IJRAR). **Impact Factor 5.75**
- **Dr. K. Balanaga Gurunathan**, ABS "PERFORMANCE OF MUTUAL FUNDS IN INDIA" in International Journal of Research and Analytical Reviews (IJRAR)", **Impact Factor 5.75**

These and many higher end publications of our faculty have made us truly proud.

Eminent Visitors at AUH

The Distinguished Global Indian Speaker Series, a unique and innovative initiative, continues to grow through our consistent endeavor to connect with the eminent professors from the Ivy League and the other top Universities of the world. Distinguished Global Indian, Prof. K Sudhir from Yale University, USA and **Prof. Professor Bhaskar Chakravorti from Tufts University, USA** visited AUH as Distinguished Global Indian Speaker Series

Other eminent international delegates that visited AUH included **Professor Brain McGarrie from University of Birmingham, UK**, Dr. Wendy Fox, Associate Professor, Acting Head of School, Faculty of Education, University of Waikato, New Zealand, Dr Joanne Jodry and Dr Stephanie Hall from the department of psychology of Monmouth University, USA,

I am happy to note that a delegation of 15 students and two faculty members, Dr Joanne Jodry and Dr Stephanie Hall from the department of psychology of Monmouth University, USA, visited AUH on 08 January, 2019, a delegation led by Prof. Tony Travaglione, Pro Vice Chancellor (PVC) Faculty of Business and Law from The University of Newcastle, Australia & LUISS Guido Carli, Rome, Italy visited AUH on 29th January 2019.

Nobel Laureate Prof Arthur Riedacker, Honorary Professor INRA, France; Chair of OIKOS Institute, Member of IPCC 2007 delivered the Nobel Lecture on "Climatic change and adoption UN Sustainability Goals in University Systems" on 25th February 2019.

Nobel Laureate Dr Kirk Smith, Professor at UC Berkeley delivered a Nobel Lecture on Air Pollution and its impact on Human Health" at the International Symposium on Air Pollution at AUH on September 20, 2019. Prof. Arthur L. Frank, Director, School of Public Health, Drexel University, USA, Dr. Alena Bartonova, Research Director, Norwegian Institute for Air Research delivered their expert Lectures at the International Symposium on air Pollution at AUH on September 20, 2019. This symposium was also addressed by Dr M. Mahapatra Director General of MoES of Govt of India, Prof (Dr) Mukesh Khare of IIT Delhi, Dr Gufran Beig of IITM Pune and Dr. Sumit Sharma, Director, Earth Sciences and Climate Change, TERI New Delhi.

I am also delighted to mention that **Mr. Yoji Sato, Chairman One Asia Foundation**, Japan and Dr. Markand Rai, President of Foreign Affairs committee of the Indian council for international Cooperation visited AUH for the Inauguration of One Asia Foundation Project under the directorship of Dr. Santosh K. Gupta of ASL of AUH.

His Excellency, Mr. Shin Bongkil, Ambassador of Republic of Korea inaugurated the Korean Cultural Festival at AUH on 6th November 2019

Hon'ble Justice Dipak Misra, Former Chief Justice of India, Hon'ble Justice AK Patnaik, Former Justice of Supreme Court of India, Ho'ble Justice Swantra Kumar, Former Chairman NGT of India, Prof Upendra Baxi, Eminent Professor of Law and Jurisprudence and former Vice Chancellor DU, Shri Suresh Chandra, Information Commissioner Central Information Commission and Former Law Secretary Government of India, Mr. Sudhir Choudhary, former DGP(Admin) Haryana, Col.R. Balasubramanian(Retd.) former Additional Solicitor General, Government of India, also visited AUH during 2019 to inspire our young budding attorneys to the challenges of jurisprudence in India.

Padmashree Vipin Buchshey, CEO Visual Aids Center New Delhi inaugurated AMI-I-CON-III Conference at AUH on 16th March 2019

Under the eminent speaker series an Expert Talk was delivered by Dr.Sanjay Singh, CEO, Gennova Biopharmaceuticals Pune on 25th March 2019

Guest Lecture was delivered by Mr Shishir Sinha, Sr. Deputy Editor, Business Line, The Hindu on "Exploit Opportunities in the Field of Business Journalism" at ASCO of AUH on 10th April 2019

Prof. Elmar Renner from the University of Copenhagen, Denmark and his team of 9 Danish students studying Hindi visited Amity School of Languages, Amity University Haryana on 12th April 2019

A national workshop on conversational Sanskrit addressed by Prof Pankaj Kumar Mishra of St. Stephen's College Delhi was organized by Amity Centre for Sanskrit and Indic Studies.

Campus visit by Haryana Vigyan Ratna Prof. KC Bansal, and Lecture on 'Emerging Trends in Biological Diversity and Biotechnology for Food and Nutrition'

Sh. Prateek Kishore, Scientist H & Additional Director Sh. Pramod Soni, Scientist F, Joint TBRL delivered lectures on R&D activities and Thrust areas at TBRL & Modes of collaboration with DRDO. The lectures were organised by AINT at AUH.

Dr. Neeraj Sharma, Scientist 'G' and Head, (NGCMA) DST, Dr. Ekta Kapoor, Scientist 'E', (NGCMA) DST and Dr Sharad Sharma, Senior Principal Scientist & Incharge- Toxicology & Experimental Medicine at CDRI Lucknow delivered expert lectures at the DST sponsored programme on Best Laboratory Practices for Scientists in Universities.

FDP on Environmental Laws and Policy Development for the Law Faculty, Research Scholars and other concerned Stakeholders was organised on 4th July 2019. This FDP was addressed by Hon'ble Mr. Justice Swatanter Kumar, former Chairman NGT.

Expert Lecture on "Corporate Communication" was delivered by Mr. Anuj Dayal, Executive Director, Corporate Communication, Delhi Metro Rail Corporation,

Dr. RK Kotnala, Chief Scientist, National Physical Laboratory delivered Expert Lecture on Revolutionary Green Energy Device Invention of Hydroelectric Cell on 26th August 2019

An Expert Lecture on "Geophysical Techniques in Civil Engineering Projects" was delivered by Dr. Sanjay Rana, Chief Geophysicist and Director, PARSAN Overseas (P) Limited on 10th October 2019.

Amity Business School organized a three days National level Faculty Development Programme on "Leveraging Analytical Tools for Quality Research" on 20-22 December 2019. The main objective of this program was to inculcate the clarity of fundamental concepts of research to the PhD scholars.

Faculty Achievements and Awards:

Ladies and gentlemen, I am delighted to mention the significant achievements of AUH faculty members during the last academic year.

- **Prof. Rajendra Prasad**, our Dean of Research and Director of AIB has been elected as the President, Society of Biological Chemists India. IISc Bengaluru from Jan 2019- Dec 2020.
- **Prof SMP Khurama**, eminent bioscientist at AUH has been awarded Honour For Excellence from Karnataka Univ & ISMPP, Udaipur at Dharwad on dt 24-26 September, 2019.
- **Dr. Munindra Ruwali** of AIB received the prize in the Young Scientist Award category at the 6th International Conference on Translational approaches in Clinical, Environmental & Biotechnological Research: "GenoPro-2019" at Invertis University, Bareilly on October 12, 2019.
- **Dr. Krishna Murari** Sinha of AIB received the coveted INSA Visiting Scientist Fellowship 2019.
- **Dr Narendra Kumar** of AIB received outstanding oral paper presentation award for preservation of Arachis Hypogea L. Food Seeds By Clove(Syzygium Aromaticum) Essential Oil at International-Conference-on-Stewardship-Towards-Sustainability on September 7, 2019.

- **Prof. Padmakali Banerjee** received Certificate of Appreciation from International Conference on Capacity Building in Higher Education Institutions (ICBHE-2019) for presenting a paper on "Effectiveness of a communication model model for building capacity in Indian education sector".
- **Dr. S.M.P. Khurana**, AIB received Award for Innovations for Agricultural Transformation at 14th Agricultural Science Congress, at New Delhi on 23rd February 2019.
- **Prof PCS Devara**, ACOAST received Eminent Scientist Award by ESDA's World Environment Summit 2020 at New Delhi on 19th January 2020.
- **Dr Sushma Gandhi** of ASCO received Excellence in Creating Arts and Journalism Lifetime Achievement Award from Philosophique Poetica and Grand Productions Canada at Bathinda on 14th October 2019.
- **Dr Umesh Chandra** Nayak of AIFA received International Dhauri Art Festival Award 2019 at Bhubaneswar.
- **Prof. P B Sharma** Vice Chancellor AUH was felicitated for 50 years of relentless pursuit of Academic and Research Excellence and dedicated service to technical and higher education (1969-2019) by Institutions of Engineering (India) on 16th September 2019.
- **Prof. P B Sharma** Vice Chancellor AUH was awarded Honorary Degree of "Doctor of Science" by Dr KN Modi University at New Delhi on 18th October 2019.
- **Prof. P B Sharma** Vice Chancellor AUH Environmental Excellence Award-2020 by ESDA World Environment Summit 2020 at New Delhi on 19th January 2020.
- **Dr. Padmakali Banerjee**, Pro VC AUH and Prof Devendra Chandra received Excellence award by InSPA 2019.
- **Dr Ashutosh Kumar** of ABS received academic and Research Excellence (IARE) award for Best academician Award - 2019 by GISR Foundation.
- **Dr Monu Verma** of ASAS received Young Achiever Award by InSc Award Institute of Scholars, Karnataka in 2019.
- **Dr G K Rao** of ASAS received Young Achiever Award by InSc Award Institute of Scholars, Karnataka in 2019.

Student's Achievements and Recognition

- **Aditi Sharma** of BTech BT was awarded industrial internship in Medtronics Mumbai from January 20, 2020 for six months.
- **Sneha Yadav and Devanshi Gautam** of B.tech BT was awarded DBT Synthetic Biology Training Program award 2019.
- **Mr Aproov Bhardwaj**, PhD Scholar and Mr Raghav Sharma, BA LLB (H) joined Delhi Judicial Services as Judicial Magistrates.
- **Ms Jojongandha Ray**, student of BBA LLB joined one of the leading Law Firms of the country- Trilegal.

MoUs Signed by AUH:

During the last one year we have signed a number of MoUs with leading Industries and Universities for collaborations:

- **NEC Technologies India Private on 21st January 2019**
- **Ahooja Eye and Dental Institute on 29th January 2019**

- **Legal Bites - Law and Beyond on 30th July 2019**
- **We, The People Abhiyan on 4th April 2019**
- **NOOHRA Integrated Services Pvt Ltd (NIS) on 23rd April 2019**
- **Fortis Healthcare Limited on 19th April 2017**
- **Global Health Pvt. Ltd on 25th April 2017**
- **INFLIBNET on 6th May 2019**
- **Diagno Labs Pvt Ltd on 15th may 2019**
- **DELNET on 01st June, 2019**
- **National Institute of Pathology (NIP) of Indian Council of Medical Research on 24th July 2019**
- **Kailash Satyarthi Children's Foundation (KSCF), New Delhi on 28th Sep 2019**
- **MEDEOR Hospital Limited on 15th Oct 2019**
- **GENNOVA Biopharmaceuticals Ltd, PUNE on 13th Nov 2019**
- **University of Newcastle, Australia on 29th Jan 2019**
- **Shabri LLC Hastings, Nebraska, USA on 15th Oct 2019**

Recognitions and Awards:

I take immense pride in informing the august gathering present here today on the auspicious occasion of the Convocation of the University that AUH has received recognition and a number of awards during the year, some of the awards are:

- AUH has been ranked by NIRF in the National ranking among the top 150 universities in India.
- AUH has been ranked as 2nd in Haryana by Education World – Engineering Ranking Survey 2019.
- AUH Ranked among top 20 Universities in India by Times (2019).
- Ranked A+ in All India Engineering College Survey 2019 by Chronicle.

Sports and Cultural Activities:

Cultural and sports activities at AUG form a key agenda of our extracurricular activities to provide the vital orientation to our students to imbibe the rich cultural dimensions of our great civilizations and help in development of their personality and character. We have the very best of the facilities for indoor and outdoor games and sports.

This year Amity University Gurugram has hosted the North Zone Inter University Volleyball (Men) Tournament for the year 2019-20. The tournament was conducted over a period of 06 days on knock-out cum league basis from 07 to 12 November 2019. More than 600 students from fifty four Government and Private Universities participated in the event that was coordinated by Maj Gen Bal, Dean Student Welfare and Director Sports at AUH.

Amity Gurugram Marathon was organized and managed by DSW Office and the Central Team from Hon'ble Chancellor's office on 10 Feb 2019. The Amity Marathan was participated by approximately 15000 participants. Amity Clubs and DSW Team organised "Autumn Carnival" a two days cultural event cum Mr. & Miss. Fresher competition. More than 50 students were participated in the Mr. and Mss Amity University Gurugram competition. The title of Mr. Fresher (Boy) & Miss Fresher (Girl) was won by Student Bhibhu, from Fine Arts and Miss AUG Abhirami from Clinical Psychology respectively.

550th Birth anniversary of Gurunanak ji was celebrated at AUG Campus and various activities were also organised by Amity Clubs such as stage play, movie screening and prasaad distribution.

150th Anniversary of the Father of the Nation Mahatma Gandhi was celebrated at AUH. A number of programs on Mahatma Gandhi and his teachings were organized during the year to sensitise students to the noble virtues of Peace, Nonviolence, strict adherence to Truth and religious harmony.

Saakar Club of AUG successfully organized Sakaar Premier League from 4 to 6 September 2019 at our campus. Various sessions on awareness on personal hygiene & eating habits, Eye & Ear Checkups for underprivileged kids, Skits by students to make students aware about Good Touch and Bad Touch and awareness on garbage disposal were organized through poster presentations.

Ek Awaaz – A Dramatic Society has participated in the all India Universities National Theatre Fest held at Chitkara University. Team Ek Awaaz also performed a stage plays at several events organized on the occasion of 550th birth anniversary of Guru Nanak Dev Ji.

Udaan Club of AUG is selflessly functioning and helping the under privileged students in order to provide them basic education. The student members of the Udaan Club are actively volunteering towards community services, and besides educating the underprivileged children of the construction workers, have also started teaching students in the Government school in Kukrola village, in the vicinity of the AUG campus.

Yuva Club has done wonders for the youths studying in Amity University. The debating and youth promoting society has taken a dynamic step for encouraging the youth by organising various important events. On 5th Sep 2019 Yuva organised an event "Gurukul" to honour those who selflessly teach the under privileged students of our society. On 24th Sept 2019 the Yuva Club organised the first Modern United Nations at Amity University Gurugram campus in collaboration with ASET.

Amifest, the two-day Management and Technical Fest organized every year by Amity University Haryana (AUH) ushers in the spirit of enthusiasm and exuberance among the youth. The fest was held on 18th and 19th February 2019. The participating teams from colleges and Universities from outside participated in Amifest 2019. These included some of the colleges from Delhi University (Aurobindo College, DCAC, Jesus and Mary) and other reputed Universities of Delhi NCR such as IGNOU, G.D. Goenka, K.R. Mangalam, North Cap University, Bharti Vidyapeeth, KIIT University, and Luxury Connect Business School. More than 150 students from these institutions participated in different events during the two-day fest at AUH.

The celebrity night was also organized by DSW Team under the guidance of Maj Gen Gural Singh Bal, DSW on 19th Feb 2019. The eminent singer Mr. Darshan Rawal came to campus and his performance was appreciated and enjoyed by each and everyone.

Amity University Gurgaon celebrated Sangathan (An Inter Amity Institutions Sports Meet in Celebration of Founder's Day). The Grand Finale event got concluded after the Prize distribution ceremony in which the overall Sangathan 2019 championship trophy was proudly lifted by Amity School of Engineering and Technology.

Service to the Community:

The University has been constantly endeavouring to bring the communities surrounding the campus into the folds of innovative practices which are of great importance to everyone at AUH. The Department of Optometry & Vision Sciences is actively pursuing the "Mission Amity: Eliminate Preventable Blindness" launched by the Hon'ble Chancellor, Dr Aseem Chauhan on 12 December 2012.

Under this Program, the Department has adopted nearby villages namely Bissar and Faridpur. The Department has organized 60 Eye Camps in the surrounding rural areas so far and screened over 7000 patients in their outreach Programs as well as in the Campus Clinic. All cases having minor ailments are treated and those requiring spectacles are provided the same by the University. Cases requiring surgery for cataract are referred to partner hospitals and are given financial assistance and ambulance services for transportation by the University.

The department of Audiology & Speech Language Pathology (ASLP) is also engaged in community services by participating in the medical camps organized by the Departments of Public Health and Optometry. The Department provide diagnostic and screening services for all cases. Therapy is also provided free of cost to those requiring treatment / correction of Speech or Hearing Defects. During the year, over 1000 cases have been screened and over 500 underwent various diagnostic tests at our Campus Clinic.

Ladies and gentlemen, the march of AUH on the pathways of excellence is continuing unabated as our commitment to pursuit of excellence is unconditional and total and that we have the unique advantage of the visionary leadership of our Founder President and Inspirational Leadership of our esteemed Chancellor.

May I therefore express my sincere gratitude to the visionary guidance of the Founder President Dr Ashok K Chauhan and our inspirational leader and Chancellor Dr. Aseem Chauhan for the formidable support provided to Amity University Haryana to accelerate our march on the pathways of excellence that enabled us to achieve such a highly impressive success in short span of just over 9 years. I am also full of admiration for my talented faculty, Hols, the team of highly experienced and dedicated officers of the university that include Dy Vice Chancellor Maj Gen BS Suhag, Pro Vice Chancellor Dr Padmakali Banerjee, Dean Students Welfare Maj Gen GS Bal, Director International Affairs Dr Gunjan M Sanjeev, Director Admissions Dr Vikas Madhukar, Registrar Shri S Sengupta, Controller of Examination Dr ML Bansal and his most efficient team of examination cell handling secrecy, conduct of examinations and speedy declaration of result in record time, Director Administration Sqn Ldr SK Singh, Addl Director Administration Shri AK Mitra, and to you our inspired Graduands and talented students for the accomplishments made by the AUH.

Young Graduands, the nation has high hopes from you as you are the proud Graduands, of Convocation 2020, the iconic year of The Developed India Vision 2020 of Bharat Ratna Scientist former President of India Dr APJ Abdul Kalam.

I have no doubt in my mind that you will live up to the high expectations of your alma-mater and that you will meet and greet the challenges of the globalised, highly competitive, tech-savvy, knowledge intensive work environment driven by rapid advancement of technology and propelled by the innovative genius of the Young India.

Returning to today's Convocation, Young Graduands, may the God Almighty be with you in your service to the mankind and let the torchlight of knowledge, which you have acquired during your stay at this prestigious university, enable you to manifest your life to the fulfillment of the cherished objectives of human existence. This University, your alma-mater shall always be proud of your achievements and we, who have been associated with you during your sojourn at this premier institution, shall always pray for your success.

Let me finish by reminding you that you are the new generation professionals equipped with immense capabilities. It is important therefore, that you exercise all care and caution to exhibit your high moral and ethical commitment to your work activity throughout your professional life. I hope you remember that you have acquired the requisite knowledge and expertise to decode the secret of creation, and as such ordained as "yastu vigyanvan bhabatu, manasa sada suchi" meaning thereby, that let you adore science but ensure that you retain the "purity of mind" at all times so that your actions largely benefit the vast humanity, as impurity of thought, for a capable person could spell disaster for the humanity at large.

You being the professionals of the modern world, equipped with world class science & technology capabilities and managerial acumen have also to maintain purity of your thought and actions so that you rise to the high expectations of the people of this country and enrich our age-old traditions of scholarship and service to the mankind and Mother Nature.

May I pray that you all excel in your chosen profession and achieve perfection through your work life. Let the Vedic command "Kushlann na paramaditabhyam" i.e. never relent from achieving perfection, be your inspiration. Let "Swadhyay na pamaditabhyam" i.e. never relent from self study be your life's philosophy to achieve life-long enlightenment and let your efforts individually and collectively lead the humanity to its destined divine goal of "SahnoYasha and Sahno Brahmvarchsam" as contained in the Tatriya Upanishad, i.e. to march together to manifest the divinity within to attain glory and divinity during one's life time.

Once again I congratulate all the graduating students and their proud parents for giving us the privilege to have you with us on this momentous occasion. I wish you young Graduands, lifelong enlightenment, all success and glory.

May I also express my profound gratitude to our luminaries on the dais for giving us the privilege to have you with us at today's auspicious function. I also wish to thank you for your inspirational words of wisdom to the young Graduands.

Thank you Ladies and Gentlemen for your patient hearing and for your gracious presence at this historic Convocation 2020 of AUH.

Jai Hind, Jai Bharat.

1st February, 2020

Prof. P B Sharma
Vice Chancellor

The Amity University logo is represented in a shield divided into dark blue and golden yellow sections by an upward sweeping line that depicts growth and progress in life, achievable through education. While the shield shape represents the resolute shelter of truth, two contrasting yet adjacent colours connote a blend of modernity with tradition. The dark blue with contemporary cues of technology, performance and advancement strikes a synergy with the golden yellow radiance of tradition, culture and values. The flame represents the purity and passion for knowledge, while the upper and lower parts of the flame replicate the arch of 'A' and the bend of 'U' respectively, the two leading alphabets of Amity University.

Amity Education Group A legacy of excellence in quality education

Amity University Haryana is a part of India's leading education group, which has pioneered a global culture in education in India.

- **1,75,000** Students
- **6,000** Faculty & Scientists
- **1,200** acres of Campuses
- **10** Universities
- **11** Overseas Campuses in London, New York, California, Dubai, Abu Dhabi, Mauritius, South Africa, Singapore, China and Romania
- B.Schools in **13** cities of India
- **25** Schools & pre-schools
- **150+** Institutions & Centres
- **1,200** Patents Filed by Faculty over the years
- **25,000** Students on Scholarship
- **52,000** On-campus Placements in the last years

Amity University Haryana

Amity University Haryana (AUH) is a part of Amity Universe and has been established under the aegis of Ritnand Balved Education Foundation (RBEF), a non-profit education trust under which all Amity institutions are running. AUG has been established by the Haryana Act 10 of 2010 by Government of Haryana on April 26, 2010. The University is imparting UGC recognised programmes both at Undergraduate, Postgraduate and Doctorate level in the various disciplines.

110 acre of Amity University Haryana campus is situated in the close vicinity of Aravali Hills virtually provides experience of living in the lap of nature and creates apt environment for the students to study, learn and grow. The overall campus life is very exciting and vibrant where students are involved in various activities which provide them a host of opportunities to constantly reinvent themselves, handling new situations & technology, understanding people management skills and experimenting new things which prepare them to become not only accomplished professionals but also good human beings.

The campus provides multi-cultural environment with the presence of students from across India and more than 20 Countries, who shares diversity of regions, ethnicities, flavours and cuisines giving them global outlook.

The academic & research canvas of the University is organised into Six Faculties viz., Faculty of Management Studies & Behavioural Sciences, Faculty of Arts, Faculty of Science Engineering and Technology, Faculty of Law, Faculty of Architecture and Planning and Faculty of Health and Allied Sciences, which has 17

institutions, currently offering more than 100 programmes at UG & PG level, besides offering the PhD programmes, in the areas, such as Management, Hospitality, Economics, Commerce, Psychology, English, Fine Arts, Fashion Designing, Media and Mass Communication, Applied Sciences, Engineering, Biotechnology, Environment Science, Nanosciences & Technology, Law, Vision Science & Optometry, Audiology & Speech Language Pathology, Nursing, Medical and Allied Health Sciences and Nursing etc.

The University has a vision to develop as a Fully Industry Integrated University providing a global platform for nurturing talent. Achieving academic excellence expresses the core philosophy of Amity University Haryana and is the driving force behind rigorous academic programmes and high quality teaching which instill a spirit of learning amongst students. The University is committed in integrating education with human values, in pursuit of interdisciplinary research, nurturing innovations, development of innovative products and innovated systems in an environment of learning. It strongly believes in relentless pursuit of innovation and excellence at all levels of activities, serving to the society and providing a formidable support to the Government policies and technology missions towards realization of our dream of a developed and prosperous India, inhabited by enlightened and capable people, empowered with the rich wealth of knowledge and power of innovation to cause scientific and technological breakthroughs to make impossible, possible and serve the vast humanity with Aatmiyata and devotion.

Awards and Recognitions

Amity University Haryana IS
INDIA'S FIRST UNIVERSITY AND ASIA'S 2ND TO BE AWARDED LEED (USA) PLATINUM CERTIFICATION

THE HIGHEST STANDARD WORLDWIDE FOR ENVIRONMENTALLY RESPONSIBLE DESIGN, CONSTRUCTION AND OPERATIONS OF EXISTING BUILDINGS

Amity University Haryana has been Accredited by ASIC, UK

Amity Group Institutions have been Ranked Top

Amity Business School ranked amongst the top 10	Amity Institute of Biotechnology ranked No.1	Amity School of Hospitality ranked amongst top 10 Amity School of Communication ranked amongst top 10	Amity Law School ranked amongst top 10 Amity School of Communication ranked No. 5 amongst Media School Amity School of Fashion Technology (ASFT) has been ranked amongst "Top 10 Fashion Colleges of India" by "India Today" New Delhi	Amity Law School ranked amongst top 10	Amity Business School ranked amongst the top 10 by Business Today, Economic Times, & Deccan Herald	Amity School of Engineering & Technology ranked No.1 for placements

Research & Innovation: Our Passion

OVER 14,000 SCOPUS & WEB OF SCIENCE INDEXED PUBLICATIONS BY AMITY FACULTY

*Publications of 2019 are as on date 31 October 2019

OVER 54,000 CITATIONS IN SCOPUS & WEB OF SCIENCE INDEXED JOURNALS

*Citations of 2019 are as on date 31 October 2019

AMITY FACULTY HAVE:

DEVELOPED 2,200 CASE STUDIES

BOUGHT ACROSS 99 COUNTRIES BY 1500 INSTITUTIONS

AMITY HAS FILED THE HIGHEST NUMBER OF PATENTS IN INDIA

(Only after all 23 IITs together)

As per the latest Annual Report (2016-17) of Controller General of Patents, Govt. of India

- Amity faculty has filed over 1,000 patents in the last years
- 13 Patents have been granted in last 2 years. Amity has consistently retained its position as the single largest patent filing institution since 2013.
- 10 Copyrights have been filed in the name of Amity University as an Applicant in the last year of which 7 have been registered and 3 are in process

STATUS OF PATENTS FILED IN 2016-17 BY TOP 3 INSTITUTIONS

Institute	Patents filed
IITs (Collective)	400
Amity University	106
IISc., Bangalore	54

Major Highlights

ACADEMIC EXCELLENCE

1. Amity Institute of Biotechnology has signed MoU with 'Genova Biopharmaceuticals', Pune on 13 Nov 2019. Through this collaboration, Genova Pharmaceuticals extended its research support to strengthen the industry – Oriented Syllabus of Biotechnology and Data Sciences Courses.
2. Prof. Elmar Renner from the University of Copenhagen, Denmark and his team of 9 Danish students studying Hindi visited the University on April 12, 2019. Prof. Renner is an expert on communicative language teaching methodologies and is the author of a successful Hindi textbook for foreigners.

MOU signed with Genova Biopharmaceuticals, Pune

Day of Innovation-2019

3. 50 students of the University participated in the most unique Study Abroad Program (SAP) for an unparalleled International exposure at Amity Campuses London, Dubai, Singapore, New York and Australia.
4. MOU of mutual cooperation was signed with leading International Universities viz. – University of Newcastle, Australia; Shabri LLC Hastings, NEBRASKA, USA; NLD Training Institute, Thimphu, Bhutan.
5. Amity Centre of Pollution Control has been set-up at the University in 2019. The Center is aimed at identifying the causes of Air Pollution and strategies for its mitigation.)
6. Central Instrument Research Facility has been inaugurated on September 28, 2019. Central Instrument Research Facility (CIRF) has been established in 2019 to facilitate interdisciplinary research among various

Hon'ble Founder President, Amity Education Group and Hon'ble Dr Aseem K Chauhan, Chancellor, Amity University inaugurating University Central Instrument Research Facility

His Excellency Mr. Shin Bongkil, Ambassador of Republic of Korea on the occasion of Korean Culture Day celebrated at Amity University Haryana

Science and Technology departments. This world class CIRF facility is equipped with a number of higher end instruments that includes Confocal Microscope, Flow Cytometer, Spectrophotometer, Spectrofluorometer, FT-IR, Ultracentrifuge, UPLC etc.

MAJOR RESEARCH PROJECTS:

7. The University has established multiple centres to provide leadership, best practices, research and/or training in focus areas. These centres are aimed at promoting multidisciplinary research and encourage formation of strong research clusters to bring true excellence in research. The major centres established in the University are;
 - Amity Centre for BRICS Studies
 - Amity Centre for Financial Analytics
 - Amity Centre for Innovation In Education
 - Amity Centre for Ocean Atmospheric Science and Technology ACOAST)
 - Amity Centre for Robotics & AI
 - Amity Centre for Nanotechnology
 - Amity Centre for Stem Cell Research
 - Amity Centre for Bio-Fuels and Renewable-Energy
 - Amity-GE Health care Centre of Excellence
 - Kiran Majumdar Shah Centre of Affordable Innovation
 - AYUSH-Amity Herbal Garden and Medicinal Plants Distribution Centre
 - Centre of Excellence in Indic and Sanskrit Studies
 - Nobel Laureate Kailash Satyarthi Centre for Child Rights & Development
 - Amity Centre for Linguistics Studies
 - Amity Centre for Big Data and Computational Biology
 - Amity Centre for Air Pollution Control (ACAPC)
8. Over 287 projects submitted and 93 projects granted worth Rs 27 crores from major science & technology organizations some of the major projects received during the year are;
 - "Technology Incubation & Development of Entrepreneurs (TIDE 2.0)" funding agency Ministry of Electronics & Information Technology (MeitY) to Prof Dr Vikas Madhukar, ABS
 - "Understanding Wnt Pathway and LncRNAs interaction for the identification of novel therapeutic targets in triple-negative breast cancers" funding agency DST to Dr. Amit Kumar Pandey, AIB
 - "Unraveling the molecular mechanism of lncRNAs involvement in Glioblastoma" funding agency DST, to Dr. Amit Kumar Pandey, AIB
 - "Fabrication of the portable low cost point-of-care optical device for the screening of thalassemic carrier" funding agency DST, to Dr. Ranjita Ghosh Moulick, AIB
 - "A nanobionic approach for enhancement of plant photosynthesis and growth by augmenting chloroplast mediated photon absorption" funding agency DST to Dr. Sumistha Das & Dr. Nitai Debnath, AIB
 - "Experimental validation of pre-identified candidate genes regulating protein storage in chickpea seeds" funding agency SERB to Dr. Kaustav Bandyopadhyay, AIB
 - "Identifying the role of P53 regulated long non-coding RNAs (lncRNAs) by Crispr/Cas9 in ovarian cancer" funding agency ICMR, to Dr. Amit Kumar Pandey, AIB

International Symposium on Air Pollution at Amity University Haryana

Leading Scientists and experts participated as key resource during 2nd International Symposium on 'Lipids in The Forefront A Lot More to Discover'

- "Mitigating the impact of antifungal resistance in the emerging pathogen candida auris by piggybacking its peptide permease as an antifungal delivery system" funding agency SERB to Dr. Atanu Banerjee, AIB
- "Identify Disease gene association using Google's Tensor Flow" funding agency ICMR to Dr. Alok Srivastava, AIB
- Developing small molecule inhibitors to target non-genomic androgen signaling and elucidating the role of GPR56 in Prostate Cancer" funding agency DST-SERB, to Dr. Gargi Bagchi, AIB
- DNA biosensor for the diagnosis of Leptospirosis" funding agency ICMR, to Dr. Ankur Kaushal, AINT
- Electrochemical DNA sensor for the diagnosis of Scrub Typhus" funding agency DST, SYST, to Dr. Ankur Kaushal, AINT

Day' in collaboration with Korean Cultural Center from 06th to 07th Nov 2019. The event witnessed participation from various universities in and around Delhi-NCR as well as Korean community and leading Korean companies like KTC etc operating in NCR. His Excellency Mr Shin Bongkil, Ambassador of Republic of Korea graced the occasion as Guest of Honour.

12. Amity School of Applied Sciences organized a Two Days National Conference on 'Forensic Science and Crime Scene Investigation Competition (CSI-2019)' on 18th Oct 2019, focusing on the key areas of forensic science, has been organized. More than 200 Forensic experts, scientists, scholars and practitioners from across the country participated in the conference. Dr. V. S Kaumudi, IPS, Director General, Bureau of Police Research and Development (BPR&D), Delhi was the Chief Guest of the day.

National Conference on Forensic Science and Crime Scene Investigation Competition (CSI)-2019

9. In 2019 faculty members have published more than 500 publications in journals of repute such as Web of Science, SCOPUS, SCI Index, Nature Publishing group, RSC Advances, Taylor & Francis, Springer, Elsevier, Wiley Publishing, etc and over 50 books have been authored by faculty at AUH
10. Over 20 faculty members were sponsored by the University in year 2019 for participation in International Conference in various Countries such as – USA, Poland, Dhaka, Slovakia, Sri Lanka, Germany, Dubai etc.

MAJOR EVENTS:

11. Amity School of Languages organized 'Korean Culture

on September 20, 2019. The noted scientists, environmentalists and the other experts across the globe ascertained the potent causative factors for the enormous threat of air pollution to the modern civilization and its rational curbing and remedial measures. The notable speakers on the panel included Dr Kirk R Smith (Berkeley University), Dr. Arthur Frank (Drexel University, Philadelphia), Dr. Alena Bartonova (Norwegian Institute for air research center), Dr. M. Mohapatra (DG of IMD and Earth Science department, GOI), Professor Mukesh Khare (IIT, Delhi), Professor Dr. Gufran Baig (IITM, Pune), Dr Qamar Rahman, Distinguished Scientist, AUUP, Lucknow Campus, Dr P Kakkar, Head, CSIR – IITR, Lucknow and Dr. Sumit Sharma, Director Earth Sciences, TERI.

Mr Sudhir Chowdhary (Former DGP, Haryana), Maj. Rajneesh Bansal (Add. District & Sessions Judge, Ambala, Haryana), Brig. Janesh Kumar Khera (Retd.), (Advocate, Punjab & Haryana High Court).

15. The University organized an International Seminar in collaboration with the Ayodhya Research Institute, Department of Culture, Government of Uttar Pradesh on the theme of 'Ramayana in the Contemporary Context: Science, Culture and Art' On 10th Oct 2019. The seminar was meant to bring together a cross-section of educationists, teachers, researchers, educational planners and administrators, academicians as well as students who shares the love for Ramkatha.

International Seminar on Ramayana in the Contemporary Context: Science, Culture and Art

14. Amity Law School organized Two Days International Conference on 'Criminal Justice System: National and International Perspective' on 8 Nov 2019. The event was graced by Prof Dr Upendra Baxi,

International Conference on Criminal Justice System: National and International Perspectives

16. Under prestigious 'Distinguished Global Indian Speaker Series' Prof. (Dr) K. Sudhir, James L Frank Professor of Private and Enterprise Management, Professor of Marketing and Director-Yale India China Insights Program, Yale University, USA delivered a talk on 'Big Data and Artificial Intelligence: Promise and Perils'

A three days Faculty Development Programme on "Leveraging Analytical Tools for Quality Research"

Distinguished Global Indian Speaker Series- Session on 'Big Data and Artificial Intelligence: Promise and Perils' by Prof. (Dr) K. Sudhir, Yale University

17. Amity Law School organized 4th National Moot Court Competition on 8th to 10th March 2019. Hon'ble Shri Justice A.K. Patnaik, Former Supreme Court Judge and Shri Karnal Singh, Former Director, Enforcement Directorate were the Guest of Honour at the opening ceremony and Inaugural Ceremony and Unveiling of Trophies the event was held at the hands of Hon'ble Shri Dipak Misra, Former Chief Justice of India. 42 Teams from the finest Law Institutions from across the Nation participated in the event (National Law Universities, GLC Mumbai, ILS Pune, IIT Kharagpur, Delhi University, Symbiosis Law Schools etc.

Amity Law School organizes 4th National Moot Court on 8th to 10th March at its Amity University Haryana

18. Amity Institute of Biotechnology organized 2nd International Symposium on 'Lipids in The Forefront: A Lot More to Discover' on December 12-13, 2019. Leading Scientists and experts from many leading international Universities (University Côte d'Azur, France, University of Nice, France, Tel Aviv University, Israel, Rutgers University, USA, Harvard Medical School, USA) and also from India (AUH, CCMB, IISER, NCL, IISc., INSTEM, JNU, RCB, NCCS, NCBS, CFTRI, Lucknow University and Agilent Technology) participated as key resource persons.

19. Amity Business School organized a three days Faculty Development Programme on "LEVERAGING ANALYTICAL TOOLS FOR QUALITY RESEARCH" on 20-22 December 2019. The programme has aimed at imparting training on various analytics tools and techniques used for quality research. Prof Hemant Sharma, ABS was the resource person and more than 40 participants such as Academician, Practitioner and Research Scholar participated in the programme.

20. A student research and innovation convention, zonal competition ANVESHAN-2020 held at Amity University Haryana in association with Association of Indian Universities was organized for two days 16-17 January 2020. The 7th edition of ANVESHAN-2020 fellowship gives an opportunity for the Indian Engineering student community to innovate and design product that can uplift the standard of living of our society. It was a great pride that our chief guest was Dr. Pankaj Mittal, Gen Secretary, AIU. The competition witnessed 84 participants from all across the north zone of the country. Out of these 84 participants, 21 were from

Dignitaries on the Stage during ANVESHAN-2020

AUH including Amity University Noida and rest 63 were from different universities like Lovely Professional university, Manav Rachna University, Subharti, NDRI, Karnal etc and various research centers.

21. During the year, many eminent dignitaries and experts from India and abroad had visited and interacted with the students of AUH. Some of the prominent names are as below;

Esteemed Senators from united States

- A Four Members Delegation of Esteemed Senators (Mr Kevin Thomas, Mr Kevin S Parker, Mr Jose Gustavo Rivera Rodriguez, Mr Leroy George Comrie) from United States (US) visited Amity University Haryana and interacted with Senior Campus Management Team
- Nobel Laureate Prof Arthur Riedacker, INRA, France;
- Nobel Laureate Dr Kirk Smith, University of California, Berkeley
- His Excellency, Mr. Shin Bongkil, Ambassador of Republic of Korea
- Professor Brain McGarie, University of Birmingham, UK
- Dr Joanne Jodry and Dr Stephanie Hall, Monmouth University, USA
- Dr. Wendy Fox, University of Waikato, New Zealand,
- Prof. Tony Travaglione, The University of Newcastle, Australia
- LUISS Guido Carli, Rome, Italy
- Prof. Arthur L. Frank, Drexel University, USA,
- Dr. Alena Bartonova, Norwegian Institute for Air Research
- Mr. Yoji Sato, One Asia Foundation, Japan
- Prof. Elmar Renner, University of Copenhagen, Denmark

- Hon'ble Justice Dipak Misra, Former Chief Justice of India
- Hon'ble Justice AK Patnaik, Former Justice of Supreme Court of India,
- Hon'ble Justice Swantra Kumar, Former Chairman NGT of India,
- Prof Upendra Baxi, Eminent Professor of Law and Jurisprudence and former Vice Chancellor DU,
- Shri Suresh Chandra, Information Commissioner Central Information Commission and Former Law Secretary Government of India,
- Mr. Sudhir Choudhary, former DGP(Admin) Haryana, Col.R. Balasubramanian(Retd.) former Additional Solicitor General, Government of India,
- Dr. Sanjay Singh, CEO, Gennova Biopharmaceuticals Pune
- Mr Shishir Sinha, Sr. Deputy Editor, Business Line, The Hindu
- Dr. Sumit Sharma, Director, Earth Sciences and Climate Change, TERI New Delhi.
- Dr Gufran Beig, IITM Pune
- Prof (Dr) Mukesh Khare, IIT Delhi,
- Dr M. Mahapatra Director General, MoES of Govt of India

INDUSTRY INTEGRATION

- More than 50 senior leaders from Fortune Five Hundred companies viz. Rolls Royce, Boeing, Harley Davidson, Accenture, Walmart, DLF, Ernst & Yong etc have delivered talk to our students during the year 2019.
- Curriculum has been designed to imbibe all necessary skills and attributes required to be a successful professional and a responsible citizen. As a result, leading national and international companies have selected out students for final placement.

Doctor of Laws (LLD) Honoris Causa

Justice Shri Dipak Misra
Former Chief Justice of India

A name synonymous with enormous fortitude and sense of purpose, Justice Shri Dipak Misra is the former Chief Justice of India. A highly revered figure in the area of law and jurisprudence, he holds a preeminent position as a jurist of extraordinary vision and is a strong votary of inclusive and equitable justice.

Justice Misra began his illustrious career with his practice at the Orissa High Court where he was appointed as Additional Judge in 1996. Equipped with exceptional expertise and immense knowledge Justice Misra became a Permanent Judge of the Madhya Pradesh High Court in the year 1997, following which he served as the Chief Justice of the Patna High Court till 2010.

An amazing personality of extraordinary talent, Justice Misra is admired all round for his humanitarian approach and excellence in delivering justice. He assumed charge as the Chief Justice of India on 28th August 2017. An inspiration to many, he is known to have delivered many landmark judgments, including the prohibition on lynching and mob vandalism and the ruling on the right to die with dignity.

Hailed as the “warrior of gender equality”, he is known to have led various Constitutional Benches which passed historic judgments that upheld equal rights for women, including the ruling on IPC Section 377 and IPC Section 497, and lifting the ban on the entry of women in the Sabarimala Temple.

Hailing the right to freedom of speech and expression Justice Misra passed yet another historic judgment while staying the ban on the movie ‘Padmaavat’ by certain States. An upholder of human dignity and social justice, Justice Misra ruled in favor of ‘right to choice’ as an integral part of ‘right to life and liberty’ in his judgments in the Hadiya and Shakti Vahini cases.

Justice Shri Dipak Misra is an extremely down to earth person who is blessed with a charismatic personality and a great vision for the future. He is acknowledged to be among one of the most respected authorities in the legal fraternity of the world. He is known for his path-breaking achievements in the field of constitutional jurisprudence, and for his incredible contribution in preserving human rights.

It is with utmost respect that Amity University Haryana confers the Doctor of Laws (LL.D) Honoris Causa, upon Justice Shri Dipak Misra.

Doctor of Philosophy (D.Phil.) Honoris Causa

Mr. Girish Agarwal
Promoter Director of DB Corp. Ltd.

World-class organizations cannot sustain and grow merely with resources, but are made with the great ideas vision and passion of an individual who has the ability to create opportunities and turn them into success. Mr. Girish Agarwal is a living icon that epitomizes these rare attributes.

A great visionary, a motivated innovator and a dynamic business leader, Mr. Girish Agarwal is an example of all-round success. He is the Promoter Director of DB Corp Ltd, the Dainik Bhaskar Group which is the largest newspaper group of India. It is because of his foresight and vision that has made brand Bhaskar into the media powerhouse of the day. He is also Managing Director of Dainik Bhaskar Power Ltd, a thermal power plant at Chhattisgarh.

Mr. Girish Agarwal is widely admired for his creativity and innovation, which are the hallmarks of his exceptional traits which exemplify his out-of-box thinking and unique approach. With his strong entrepreneurial skills coupled with the undying commitment and belief in his abilities, he was instrumental in the conceptualization and launch of DNA (Daily News and Analysis), bringing in a combination of subtle thinking and strategizing genius, reshaping the contours of the newspaper market across India.

Under the guidance and leadership of Mr. Girish Agarwal, Dainik Divya Marathi, the Group’s Marathi language newspaper introduced in Maharashtra has been presented as a case study by IIM Bangalore, as a highly successful launch, and which is also a part of Harvard Business Review (HBR). Launches in Rajasthan and Gujarat have become the subject of case studies in prestigious institutions like Mudra Institute of Mass Communication and the Indian Institute of Management, Ahmedabad.

Mr. Girish Agarwal has been conferred with several national and international awards including “Young Entrepreneur of the Year” in IT, Communication and Media Entertainment Category by Ernst & Young and the Outstanding Entrepreneur award in AEPA (Asia Pacific Entrepreneur awards). He holds the singular distinction of being the youngest chairman of Indian Newspaper Society for Madhya Pradesh region.

An extremely down to earth person and blessed with a charismatic personality,

Mr. Girish Agarwal is an embodiment of continuous excellence, highest professionalism, focused approach, perseverance, graciousness and generosity.

It is with utmost respect, that Amity University confers the Doctor of Philosophy (D. Phil.), Honoris Causa, upon Mr. Girish Agarwal.

Recipient of Honorary Professorship

Dr Sanjay Singh
Chief Executive Officer,
Gennova Biopharmaceuticals Ltd

A profound intellectual and acclaimed biochemist, Dr. Sanjay Singh is a first generation entrepreneur and Chief Executive Officer of Gennova Biopharmaceuticals Ltd Pune since 2006. Dr. Singh has rich experience of working with National Institute of Health, USA where he has headed the Antigen Research Section at the Malaria Vaccine Development Branch of the National Institute of Allergy and Infectious Diseases (NIAID), National Institutes of Health (NIH), USA. A graduate in Science from the Lucknow University, Dr Singh holds a PhD. in Biochemistry from the Central Drug Research Institute, Lucknow. Dr. Singh has conducted several significant studies in his area of specialization.

Dr. Sanjay Singh is responsible for Central Drugs Standard Control Organization (CDSCO), Drug Controller General of India (DCGI), Ministry of Health, Govt. of India for development of the India Guidelines on Similar Biologics (Regulatory Requirements for Marketing Authorization). He is also on Working Group for Gene Therapy constituted jointly by the Department of Health Research (DHR) and Department of Biotechnology (DBT), Govt. of India, Dr Singh is an invited member of Indo-US Vaccine Action Programme (VAP) and Member of the advisory board of ILS–Ahmedabad.

During his tenure at the NIH, he has led important innovations and trials with great success. At Gennova, Dr. Singh's innovative and transformational leadership has facilitated the launch of various therapeutic life-saving biologics in the cardiovascular, neurology, nephrology and oncology market making the drugs affordable to the masses. His innovation was recognized by the Department of Biotechnology (DBT), Govt. of India for the 'Biotech Product, Process Development and Commercialization Award 2019'.

Additionally, this 'Make in India' product has found its way in the list of drugs for emergency care for stroke management in the guideline – 'Prevention and Management of Stroke', issued by the Ministry of Health and Family Welfare, Govt. of India. He has many patents in his name such which has brought him many accolades such as the Distinguish Service Award in 2005 and Staff Recognition Award in 2004 from US Department of Human and Health Services. His significant texts and publications are much cited.

It is with utmost respect that Amity University Haryana confers the title of Honorary Professor upon Dr. Sanjay Singh.

Recipient of Honorary Professorship

Prof. Mukesh Khare
Professor, IIT Delhi

An acclaimed Global Expert on Air Quality, Prof. Khare is a Professor at IIT Delhi and an expert member of High-Level Task Force at PMO, New Delhi. Prof Khare has managed a range of environmental projects throughout his professional career. With a specialization in air quality modelling, his experience has covered Research and Development studies, teaching, consulting, modelling and editorial activities. Prof Khare's research has focused on local scale urban air quality modelling, targeting the predictions at urban roads and intersections.

He obtained his masters in Civil Engineering from University of Roorkee and later completed his PhD in Faculty of Engineering (Specialized in Air Quality) from the Newcastle University, UK. He is a Fellow of Institution of Engineers India, of Wessex Institute, Great Britain and Patron, Planet Earth Institute, London. Prof Khare has authored more than 200 research publications primarily for peer reviewed journals and conference proceedings.

Far sighted and persevering he is admired for his unrelenting pursuit of relevance driven research excellence. He has received many grants from UK India Education Research Initiative, the Ministry of Environment & Forests, the Department of Science and Technology and Ministry of Human Resource Development of India. Prof Khare continues to be intellectually and professionally linked to top institutions such as Harvard University, École des Ponts ParisTech, University of West Indies, University of Bath and more.

An outstanding engineering personality Prof Khare has written many books such as "Modelling Urban Vehicle Emissions", WIT Press, UK; and has also contributed to number of books published by WIT Press, Elsevier, In Tech, VDM Publishing and Lambert Academic Publications. Additionally, he has published over forty technical reports which have brought him fame and recognition.

It is with utmost respect that Amity University Haryana confers the title of Honorary Professor upon Prof Mukesh Khare.

Recipient of Honorary Professorship

Mr. Leon Choong
Regional CEO, ASEAN
Associate Professor, Amity Education Group

With over two decades experience as an educator and successful entrepreneur, Mr. Leon Choong is an advocate of educational innovation and the creator of new markets to help more people in gaining access to quality education.

Having established some of the most commercially successful and internationally awarded institutions in Southeast Asia, Mr. Choong's portfolio includes government relations, strategic alliances, community engagement, institutional branding, student recruitment and international business development in the field of global education.

Under his leadership, Amity Singapore has secured full four-year EduTrust accreditation from the Singapore Ministry of Education, as well as international recognition from the Chinese Ministry of Education. Amity Singapore has been accepted into the prestigious Association to Advance Collegiate Schools of Business Membership (AACSB) and has been included in the Business Education Alliance comprising the world's top Business Schools.

As an outcome of his focused and relentless efforts, graduates of Amity Singapore will be shown to earn among the best median starting salaries in the region during the impending Graduate Employment Survey to be conducted by the Government.

Mr. Choong has facilitated Amity students from different countries including Japan, Korea, Mongolia, Russia, Laos, Thailand, Indonesia, Vietnam and China for building up a diverse and cosmopolitan student body.

Mr. Choong also serves as Amity's Regional CEO responsible for advancing the Group's academic and strategic interests in Association of Southeast Asian Nations (ASEAN). He is the immediate past President of the Singapore Association for Private Education. Earlier in his career, he managed Singapore's premier ophthalmic practice and supported the Asia-Pacific Association of Cataract and Refractive Surgeons which recruits volunteer eye surgeons from around the world to introduce microsurgical techniques and intraocular lens implant technology to developing countries.

It is with the utmost respect that Amity University Haryana confers the title of Honorary Professor upon Mr. Leon Choong.

Discipline: Environmental Sciences

Name: Neha Maheshwari

Title of Thesis: Isolation and Characterization of CO2 Mitigating Bacteria from Free Air CO2 Enriched (FACE) Soil Community for the Production of Biomaterials

Supervisor: Dr. Shaili Srivastava

Amity School of Economics

Discipline: Economics

Name: Vani Aggarwal

Title of Thesis: The Effectiveness of mHealth Interventions for Maternal and Child Healthcare Sector : The Indian Scenario

Supervisor: Dr. Meenal Sharma Jagtap

Discipline: Economics

Name: Aarti Dawra

Title of Thesis: A Study on Public Private Partnership Model in Infrastructure Sector in BRICS Countries with Special Reference to Application of PPP Model in India

Supervisor: Dr. Meenal Sharma Jagtap

Amity School of Engineering and Technology

Discipline: Engineering

Name: Ganesh Gupta

Title of Thesis: An Investigation of On-Demand Power Management in Ad-Hoc Wireless Network

Supervisor: Dr. Vivek Jaglan

Discipline: Engineering

Name: Ved Prakash

Title of Thesis: Analysis and Design of Microstrip Antenna for Wireless Applications

Supervisor: Prof. (Dr.) Priti Singh

Discipline: Engineering

Name: Rashmi Goyal

Title of Thesis: Optimization of Software Testing Using Genetic Algorithm

Supervisor: Dr. Vivek Jaglan

Amity School of Liberal Arts

Discipline: English

Name: Pooja Malik

Title of Thesis: Dynamism and Realism- An Archetypal Paradigm of Manju Kapur's Novels

Supervisor: Dr. Parul Yadav

Recipients of Awards/Medals/Trophy

Trophy for Academic Excellence

Shri Baljit Shastri Award for Best in Human and Traditional Values

This award is instituted in memory of Late Shri Baljit Shastriji, the respected father of Dr Ashok K. Chauhan, the Hon'ble Founder President of Amity, who was truly an epitome of human and traditional values. This award is given to those Amity students who display best in human and traditional values such as honesty, integrity, respect for others, caring attitude and respect for heritage & culture.

Recipient of Green Business Certification Inc. (GBCI) Award for Sustainability

In today's modern world, every institution is in the pursuit of global environment sustainability. These awards are being conferred on meritorious students for outstanding projects on sustainability.

Gold:

Nidhun K. Sasi
Master of Technology (Construction Technology & Management)
Amity School of Engineering & Technology
Project Title: Factors Affecting Electricity Consumption and Influence of Solar Energy: A Case Study of Residential Buildings in Thrissur, Kerala

Nikita Yadav
Master of Science (Environmental Sciences and Management)
Amity School of Earth & Environment Sciences
Project Title: A sustainable impersonation of natural cycle: monitoring of biomass degradation within in-vessel composting via FTIR-SPECTROSCOPY

Bronze:

Anjali Gouthalia
Bachelor of Planning
Amity School of Architecture & Planning
Project Title: The Environmental Impact of Tourism on Agra City, Uttar Pradesh

RECIPIENTS OF DEGREE

AMITY BUSINESS SCHOOL

Bachelor of Business Administration

- Abhishek Yadav
- Akshita Yadav
- Ankush Aggarwal
- Anmol Shivam
- Avinash Kumar
- Biswadeep Goswami
- Deepak Yadav
- Gaurav Yadav
- Gaurav Yadav
- Harsha Choudhary
- Jasmeet Singh Vohra
- Kajal Goyal
- Kaku Hiranya Shama
- Kapil Singla
- Laksh Sharma
- Md Afjal Hussain Ansari
- Mohit Abrol
- Mohit Yadav
- Mwenga Kaja Blandine
- Prabhat Kumar Singh
- Pradeep Yadav
- Pranjal Gupta
