

ADVERTISEMENT FOR THE POST OF PROJECT ASSISTANT –(1)

Applications are invited for a post in a ICMR funded Project entitled: “**Development of Plasmonic Nano-sensor for Detection of AGE in Diabetic Patient Samples**”, (Ref Number: **IIRP-2023-2497**)" at AIISH/AIB, AUH. The selected candidate will be appointed for 36 months or the termination of the project whichever is earlier.

Position: Project Assistant (1)

Eligibility:

- a) Essential Qualifications & Experience:** Candidate must have B.Sc or B.Tech (with minimum 55% marks) or higher qualification in Life Sciences/Biotechnology or any related field.
- b) Desirable:** Experience in Biotechnology/Nanotechnology and in addition experience in blood sample handling

Salary: Rs. 30,000 per month

Appointment will be purely on temporary basis and co-terminus with the project.

Interested candidates may send their application (clearly mentioning the essential and desirable qualification) and testimonials (preferably in a single pdf file) through email and send to PI (rgmoulick@ggn.amity.edu/ranjita.ghoshmoulick@gmail.com) mentioning the project title in the subject of the email.

The last date of sending the application is 5th February, 2024.

The eligible candidates may further be shortlisted based on the qualifications/experience/grades depending on the number of applicants and finally they will be notified through email with the date and schedule of the online or telephonic interview.

PLACE: Amity Institute of Integrative Sciences and Health/ Amity Institute of Biotechnology, Amity University Haryana
