**Advertisement for Project Assistant - (02)**

Applications are invited for the post of **Project Assistant** in a **DRDO-ARMREB** funded research project entitled: “Biofidelic Human Tissue Simulants for Ballistic Evaluation” (ARMREB/CDSW/2024/294). The selected candidate will be appointed purely on a temporary basis, initially for one year which may be extended till the validity of the project, a total period of 2.5 years from commencement date of project, based on assessment of the candidate's performance.

**Position: Project Assistant (02)**

**Essential Qualifications & Experience:**

- Indian nationality.
- M.Sc. in Chemistry, Applied Chemistry, Polymer Science, Material Science, Biomedical Science, Biotechnology, or Microbiology with a minimum of 60% marks or an equivalent grade (aggregate) from a recognized university or institution.
- B.Tech. /BE in Biomedical Science, Biotechnology, Polymer Science, or Material Science with a minimum of 60% marks or an equivalent grade (aggregate) from a recognized university or institution.
- Knowledge of the synthesis of polymers, hydrogels, polymer nanocomposites, and nanomaterials, along with the characterization of polymers, hydrogels, nanomaterials, and polymer nanocomposites.
- Proficiency in spoken and written English and good computer skills.

**Desirable:**

- Experience in the synthesis and characterization of polymer nanocomposites.

**Salary:**

- Rs. 20,000/- per month (with HRA as per norms, inclusive of all allowances).

The appointment will be purely temporary and co-terminus with the project. Eligible candidates may be further shortlisted based on qualifications and experience, depending on the number of applications received.

In addition to the application, candidates must submit a complete Curriculum Vitae, including the names of two referees. The Curriculum Vitae should detail experimental experience and publications. Applications should be submitted on or before **6<sup>th</sup> May 2025**.
