

Plantation Drive at Amity University Haryana

04 March 2022

1.1 General Introduction of the Event: The Amity School of Earth & Environment Sciences (ASSES) and the Horticulture Department (ACMP & TK) organized a plantation drive at AUH Campus on, 4th March 2022, Friday, location: Gate no. 2 , Timing : 11:30 AM to 12 PM. This Plantation drive involved planting around 1000 (more/less) sapling. all the plants in this area are Native plants so they can develop easily afterward.

1.2 Objectives of the Event:

Deforestation and Carbon emission are the two main reasons for the earth's climate change. As per some scientists, it is said that deforestation is responsible for around 18-25% of climate change. Trees are the only way to overcome unstable environment. From a long time, AUH ensure adoption of native species of vegetation for plantation and landscaping. Due to natural vegetation patches AUH campus is very much ecologically sound reflected by large number of Birds and butterflies inside the campus to continue the chain you can join the plantation drive.

Prof. Dr. I.S Thakur, highlighted to raise awareness towards the importance and benefits of environmental conservation and plantation including use of each part of need plants in our daily life. He discussed the urgency of latest techniques that would benefit humankind by saying “World is looking to us for possible solution”.

3.3 Brief about the address/talk of speakers:

The program was followed by Maj Gen Gurpal Singh Bal, Dean of Students Welfare, AUH. Maj. Gen Bal praised the country’s army, said that all of us should be the part and equal contribution in the progress of the Country.

- Prof. Dr. I.S. Thakur expressed his concerns for environmental restoration, Green Energy, and environmental conservation.
