The 13th edition of India Art Fair will take place at NSIC Exhibition Grounds, New Delhi, from Thursday, 28 April to Sunday, 1 May 2022

India Art Fair is the leading platform to discover modern and contemporary art in South Asia. Spread across a 12,000 square meter venue, it is the biggest event in India's cultural calendar with pioneering exhibitors from across India presenting some of the region's most iconic artists, alongside select international participants who bring works that have never or rarely been shown in India. Always aiming to increase audiences for the arts, we also host an expansive programme of artist-led talks, performances, workshops and projects, making the fair an established destination for creativity.

India Art Fair is the perfect place for art lovers and collectors alike. Our visitors include everyone from artists and creative's to celebrities and CEOs. Along with working closely with art patrons and young, new collectors, we also engage directly with curators, museum groups, YPOs, EOs, alumni associations as well as exclusive private clubs and wealth management firms. Some visit to acquire artworks, while others view the fair more as an exhibition, enjoying the experience as a cultural day out.
