The MoU will promote student exchanges, placements and internships, especially for our foreign language knowing students (both from ASLA &ASL and also from other academic schools) whose students have good command over any of our foreign language and wish to take up work/internship abroad.

Brief about the address/talk of speakers - Association Internationale des étudiants en sciences économiques et commerciales (AIESEC) is an international platform for young people to develop their leadership potential through practical experience. AIESEC brings to you an opportunity to intern abroad and boost your CV while exploring few of the best places in the world.
