2. Event Report along with glimpses of the event (Photographs)

Event started with introductory speech about the theme “Day of Belongingness” by Prof. Atul Thakur, HOI, ASAS and delivered his best wishes for the birthday of Honourable Chancellor Dr Atul Chauhan on his special day. He ignited the curiosity of this important day amongst students. After his inspiring words, students of Chem Club, Photon Club, Maths Club and Locard Club started the event. Event consisted of 4 different rounds conducted by the different clubs. In each round, 2 volunteers were asked to come on the stage, where one-person wore the cap that has one word written on it and other person was supposed to guide the first one to predict the word. This activity has to be done in specific time frame. Students were highly motivated to come on stage and eager to participate. Good participation from students came from all courses of ASAS. The winners were awarded with chocolates. Some of the words which students were asked to guess were periodic table, vibration, skeleton, friction, liquid, square root. Everyone enjoyed the activity thoroughly including faculty members.

Event was ended with vote of thanks.
