### 5. Any other

<u>Students become conversant with security, hygiene, environmental protection and quality</u> <u>control measures related to automated production of automobile spare parts manufacturing</u> <u>plants.</u>

### **3.** Event Report along with glimpses of the event(*Photographs*)

### **3.1 General Introduction of the Event**

### **3.2 Objectives of the Event**

To apprise and mould Management students of ABS, AUH to have insight into the actual working of corporate ecosystem/ expert mind-set, and how best to mould themselves with intellectual, behavioural, personality and execution skill-set to become an efficient Manager.

### **3.3 Brief Summary about the Event.**

- Mr Chiranjeev Khanna is the Founder of StockDaddy, which is India's fastest growing The Complete Stock Learning App (EdTech). It provides educational services and financial solutions that help people to learn and develop skills in the stock market investing and trading StockDaddy facilitates self-learning through unique study material, inbuilt notes, online courses, podcasts, regular updates on IPOs, and Daily EDIC (Educational Demo Intraday Calls). And, different courses related to the stock market trade and investment, impart better knowledge about the stock market to the existing and potential traders. Until March 2022, this start-up has closed 4 investment rounds of million dollars (Undisclosed amount). The company is in the growing stage and creating a better world for investors with a team of 100+ dynamic professionals across the globe.
- StockDaddy is India's leading stock learning platform, making it possible for users around the nation to grasp the stock market skills with an ease of choices. We create financial value in the lives of people by delivering our services with a focus on positive growth.
- Stock Daddy is in the process of covering that gap where we provide stock market expertise to succeed in getting or achieving our goal of making every individual financially literate and building a community that thrives for financial liberation without any fear.
