Inspiration & Objectives of the Event

Extinction solve brain teasers because of social media. As a community we need to understand that in the corporate world innovative ideas seeds can only bear the fruit and be implemented, if more puzzles are solved. Riddles are used to identify the alertness and common sense of an individual. Picture identification is used to enhance the awareness on famous individuals round the globe. There were three rounds in all. Round 1 to 3

had different format which included a time of 20 seconds to answer, and each question consisted of 10 marks. Round 1 was for students, Round 2 was for students, Round 3 was for students. Rounds had a time period of 20 seconds and each question consisted of 10 marks. The presenter would show the question first and then would reveal the answer and confirm it after the participants have given their answer. All the team's inquiries were welcome. All four rounds were completed after this.
